It also provides you with the opportunity to discuss any problems you may be having with your art with other students, and to gain feedback and encouragement from them. It is a mutually supportive group and all students are very welcome to attend; from the new students to the more advanced.

- Wagtails is free for all students who are members of the Friends of Geelong Botanic Gardens
- \$45 per term for students who are not members of the Friends
- Wagtails meet in the art room each Wednesday from 12.30 pm to approximately 4.00 pm
