

Geelong School of Botanical Art

Supported by the Friends of Geelong Botanic Gardens

REGAL & ZONAL PELARGONIUM FLOWER PORTRAITS WORKSHOP

With **JOHN PASTORIZA-PIÑOL**

Saturday 16 and Sunday 17 January 2021

9.30 am to 4.30 pm

Onsite at Geelong Botanic Gardens

The Florence E Clarke Geranium Conservatory holds the State's Pelargonium Collection which is the largest collection of species and cultivars from the Geraniaceae family. This family includes the popular Geraniums and Pelargoniums familiar to gardeners.

The amazing variation of cultivars amongst the Regal and Zonal pelargoniums are vast. On closer inspection, the structure of these flowers is truly remarkable and this workshop will focus painting a single bloom portrait which will be enlarged up to 10 times its natural size. A full description of the workshop is available at the Friends Office or on the website. Skill level required: Intermediate to advanced.

Cost:	\$240 (FGBG Members \$220)
Materials:	Materials List and Class Outline available at FGBG Office
Where:	GBG Meeting Room
Parking:	Carpark at the rear of the Gardens

Bookings at the Friends' office: 5222 6053
