Friends of Geelong Botanic Gardens

## BOTANICAL PERFORATIONS WORKSHOP

Friday 17 and Saturday 18 January 2020

9.30 am to 4.00 pm

Learn how to transfer a simple botanical drawing onto watercolour paper using perforating techniques.

**Day 1** will be dedicated to drawing a chosen subject; leaf, flower or plant – simple line drawing work is preferred for this technique. The design will then be transferred onto good quality watercolour paper. Some ready-to-go examples will be provided for experimentation.

**Day 2** will be dedicated to the perforation techniques of your design. The white on white perforated design creates a subtle and delicate etch-like pattern and a mesmerising effect, when held to the light.

**Tutor:** Dolores Skowronski-Malloni  
**Cost:** \$160 members or \$180 non-members  
**Materials:** Materials list available at FGBG Office  
**Where:** GBG Meeting Room
