

Sale Catalogue

September 2015

Genus/Species/Cultiva	Notes
<i>Abelia schumannii</i>	Shrub; 1.5m h x 1.5m w; A fast growing, tall, upright evergreen shrub with cardinal red, fully double blooms. Ideally planted in groups, or used as an informal border for great visual displays. Ideal for hedging and screening.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Abelia x grandiflora</i>	Shrub; 2.5m h x 3m w; Rounded, semi-evergreen shrub with glossy, dark green leaves. From midsummer to autumn, it produces fragrant, funnel-shaped white flowers that are tinged with pink.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade
<i>Abutilon "o"</i>	Shrub; Chinese Lantern; Asia; 2m h x 2m w; Hardy evergreen shrub which flowers for much of the year.; Flowers: All Year; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Abutilon "y"</i>	Shrub; Chinese Lantern; Central & Sth America; 1m h x 1m w; Hardy evergreen shrub which flowers for much of the year.; Flowers: All Year; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Abutilon megapotanicum</i>	Shrub; Brazilian Bell Flower; Sth America; 1m h x 1.5m w; Arching cane-like branches with smallish, pendant, bell shaped flowers of pale yellow petals and deep red calyx.; Flowers: Sum/Aut; Flower Colour: Bicolour; Sun/Semi Shade; Adaptable
<i>Acacia aphylla</i>	Shrub; Leafless Rock Wattle; W.A.; 2.5m h x 2m w; Leafless, erect, widely branching shrub to 2.3 m high with golden yellow spherical flower heads July - October. Listed as a vulnerable species.; Flowers: Win/Spr; Flower Colour: Yellow; Sun; Drought Tolerant
<i>Acacia glaucoptera</i>	Groundcover; Flat Wattle; WA; 0.4m h x 1.5m w; Unusual, straggling shrub. Wing-like phyllodes with yellow globular flowers emerging from central stems in spring. Silver-grey foliage tipped with bronze.; Flowers: Win/Spr; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Acacia lasiocarpa</i>	Groundcover; WA; 0.5m h x 1.5m w; Dense spreading dwarf shrub; Flowers: Win/Spr; Flower Colour: Yellow; Sun; Well Drained
<i>Acaena nova - zelandiae</i>	Groundcover; Bidgee Widgee; 0.4m h x 0.7m w; Flowers: Spr/Sum; Flower Colour: Green; Sun; Adaptable
<i>Achillea filipendulina "Gold"</i>	Groundcover; Yarrow; Caucasus; 1m h x 1m w; Brilliant deep yellow flowers and aromatic bright green foliage.; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained; Drought Tolerant
<i>Aeonium arboreum</i>	Succulent; Canary Islands; 0.5m h x 0.5m w; Succulent with pink-tipped rosette leaves on a basal stem. Flowers, which are usually cream or yellow, come out of the growing points in the center of the rosette. In most cases the plant dies after flowering.; Flowers: Summer; Flower Colour: Yellow; Sun;
<i>Aeonium arboreum var atropurpureum "Schwarzkopf"</i>	Succulent; Black Tree Aeonium; 1m h x 0.3m w; The 20 cm rosette of almost black leaves on an up to 1 m light gray trunk is very showy.; Flowers: Summer; Flower Colour: Yellow; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Aesculus indica</i>	Tree; Indian Horse Chestnut; India; 20m h x 15m w; Rounded tree with glossy leaves on reddish stalks. Buds are not sticky. The flowers are similar to those of the common Horse Chestnut, but open later: white, with pink centre, followed by spiny green fruit.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Agapanthus orientalis "Purple Cloud"</i>	Bulb/Corm; African Lily; 1m h x 0.7m w; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Agave americana "Marginata"</i>	Succulent; Mexico; 1.5m h x 1.5m w; Large succulent with sharp thorn on tips of leaves. Flowers only when full size has been reached.; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Agave sp.</i>	Succulent; 1m h x 1m w; Sun; Dry
<i>Ajanía pacífica</i>	Perennial; Japan; 0.4m h x 0.8m w; Spreading loose mound of foliage, with white hairs underleaf. Sprays of gold flowers.; Flowers: Autumn; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Ajuga reptans</i>	Groundcover; Common Bugle; Eurasia; 0.2m h x 1m w; Bronze/red foliage. Spreads by runners. Can be invasive.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Adaptable
<i>Ajuga reptans variegata</i>	Groundcover; Bugle creeper; 0.1m h x 0.8m w; Blue flower spikes in spring, over evergreen cream and green variegated foliage. Ideal for ground cover. Sun or shade, any soil. Spreads by runners. Can be invasive.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Adaptable
<i>Albuca nelsonii</i>	Bulb/Corm; Nelson's Slime Lily; South Africa; 1m h x 0.5m w; Robust evergreen clumping perennial - flowers white with green stripes.; Flowers: Spring; Flower Colour: White; Semi Shade; Adaptable
<i>Allium sp</i>	Herb; vietnames chives; vietnam; 0.5m h x 1m w; Flowers: Spring; Flower Colour: White; Sun; Well Drained
<i>Aloe vera</i>	Succulent; N. Africa; 0.6m h x 0.6m w; Medicinal succulent; Flowers: Spring; Flower Colour: Yellow; Sun; Well Drained; Drought Tolerant
<i>Aloysia triphylla "w"</i>	Shrub; Lemon Verbena; Americas; 3m h x 3m w; Open shrub with dainty white/lavendar raceme flowers and aromatic foliage.; Flowers: Sum/Aut; Flower Colour: White; Sun; Well Drained; Frost Tender
<i>Alstroemeria "g"</i>	Perennial; Sth America; 0.5m h x 0.5m w; Clumping perennial with gold flowers.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Well
<i>Alstroemeria "y"</i>	Perennial; Sth America; 0.5m h x 0.5m w; Clumping perennial with yellow flowers.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Well
<i>Alstroemeria sp "w"</i>	Perennial; 0.75m h x 0.5m w; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Alyxia buxifolia</i>	Shrub; Sea Box; Coastal areas of southern states; 1m h x 1m w; C21. Thick, elliptic to obovate leaves and white flowers in cymes between spring and autumn, followed by rounded, red fruits which are about 8 mm in diameter. Indigenous to Geelong area.; Flowers: Sum/Aut; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Amaranthus hypochondriacus</i>	Perennial; Prince's Feather; USA, Mexico, Asia; 1.5m h x 1m w; Short lived perennial with crimson flowers.; Flowers: Sum/Aut; Flower Colour: Red; Sun; Well Drained
<i>Anemone hupehensis</i>	Perennial; Japanese Wind Flower; Japan; 0.5m h x 0.5m w; Fibrous-rooted perennial, evergreen in mild climates. Striking white flowers.; Flowers: Win/Spr; Flower Colour: White; Semi Shade; Moist
<i>Anisodontea capensis</i>	Shrub; South Africa; 1m h x 1m w; Erect evergreen shrub which flowers all through the year, but mainly in spring-summer.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Aphanopetalum resinosum</i>	Shrub; Qld, NSW; 2m h x 1.5m w; C21. Bushy shrub or climber with lustrous foliage and masses of greenish cream flowers.; Flowers: Spr/Sum; Flower Colour: Cream; Semi Shade; Moist
<i>Aquilegia sp</i>	Perennial; 0.45m h x 0.45m w; Flower Colour: Various; Sun/Semi Shade; Well Drained
<i>Aquilegia vulgaris</i>	Perennial; Granny's bonnet; Europe; 0.5m h x 0.4m w; Clump-forming perennial with blue-green foliage (small fan-shaped leaflets) that emerge from a woody rootstock. The flowering stems usually reach above the foliage and carry spurred, bell-shaped, often pendulous flowers.; Flowers: Spr/Sum; Flower Colour: Purple; Semi Shade; Well Drained
<i>Argyranthemum "dp"</i>	Perennial; Marguerite; Canary Islands; 0.7m h x 0.7m w; Compact plant which starts flowering early in the season and blooms over many months. Double pink flowers; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi
<i>Argyranthemum "w"</i>	Perennial; Marguerite; Canary Islands; 1m h x 0.5m w; Compact plant which starts flowering early in the season and blooms over many months.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Argyranthemum "y"</i>	Perennial; Margeurite; Canary Islands; 1m h x 0.5m w; Compact plant which starts flowering early in the season and blooms over many months.; Flowers: Spr/Sum; Flower Colour: Lemon; Sun/Semi Shade; Well Drained
<i>Aristea ecklonii</i>	Grass; Blue Stars; Central & Sthn Africa; 0.4m h x 0.2m w; Spreading evergreen perennial with stiff, upright, grasslike leaves in a tight clump. Flowering stalks covered with dozens of small blue saucer shaped flowers stand above the leaves. Each flower lasts for only one day; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Artemisia canescens</i>	Shrub; Lacy Wormwood; 0.2m h x 1m w; A small artemisia with very finely cut foliage. An extremely drought tolerant slow spreading plant , ideal candidate for the rock garden, edging or for the front of a well maintained border. Foliage ranges from a pale grey to silver. GBG Silver Border.; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Artemisia ludoviciana "Valerie Finnis"</i>	Perennial; Wormwood; 0.2m h x 0.9m w; An outstanding silver leafed plant for the front of a sunny border growing to 20cm and slowly spreading. GBG Silver Border.; Flower Colour: Cream; Sun; Adaptable
<i>Arthropodium cirratum</i>	Fern/Shade; Renga Renga Lily; N Z; 0.8m h x 0.5m w; A hardy, evergreen, clumping perennial that bears panicles of graceful sprays of starry white flowers. These flowers are produced on 60cm stems above tufts of broad, strappy leaves in late spring.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Asarina barclayana</i>	Climber; 3m h x 0.5m w; Flowers: Summer; Flower Colour: Purple; Shade/Semi Shade; Well Drained
<i>Asarina scandens</i>	Climber; Violet Snapdragon Vine; Mexico; 2m h x 1m w; Twining snapdragon produces attractive lime green leaves and masses of stunning trumpet-shaped flowers from summer till autumn frost. The vine can reach 2-3 metres in height if given support.; Flowers: Sum/Aut; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Aster "b"</i>	Perennial; Easter Daisy; N. America; 0.6m h x 0.3m w; Long-flowering perennial. Blue flowers have a yellow centre.; Flowers: Autumn; Flower Colour: Blue; Sun; Well Drained
<i>Aster x frikartii "Monch"</i>	Perennial; Easter Daisy; N. America; 0.4m h; Long-flowering perennial which bears large 2½-inch lavender blue flowers with yellow centres.; Flowers: Sum/Aut; Flower Colour: Mauve; Sun; Moist
<i>Atriplex cinerea</i>	Shrub; grey salt bush; 0.9m h x 0.8m w; forms a loose mound. Yellow flowers are in terminal spikes; Flowers: All Year; Flower Colour: Yellow; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Atriplex nummularia</i>	Shrub; Old Man Saltbush; Inland Australia; 3m h x 2m w; Handsome erect shrub with roundish silvery-grey leaves. Good hedge plant in arid areas. Flowers are very small.; Sun; Well Drained; Drought Tolerant
<i>Atriplex paludosa</i>	Shrub; Marsh Saltbush; 1m h x 1.5m w; Flowers: All Year; Any; Adaptable
<i>Aucuba japonica</i> "Golden	Shrub; Asia; 2.5m h x 2.2m w; Dense shrub grown for glossy variegated leaves.; Flowers: Spring; Flower Colour: Purple; Sun/Semi Shade; Well
<i>Aucuba japonica</i> "Variegata"	Fern/Shade; Gold Dust Plant; 1.5m h x 2m w; This evergreen shrub has dense, glossy foliage that appears splashed with yellow paint. Gold-dust plant can compete with nearby tree roots and responds well to pruning.; Shade/Semi Shade; Well Drained
<i>Ballota pseudodictamnus</i>	Perennial; Shrubby Horehound; 0.4m h x 0.6m w; This distinctive evergreen sub-shrub forms a distinctive ground hugging silver mound, producing a display of pink/white flowers in late spring.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Berberis soulieana</i>	Shrub; China; 1.5m h x 1m w; Evergreen shrub with clusters of creamy-yellow flowers and long spines.; Flowers: Summer; Flower Colour: Cream; Sun/Semi Shade; Adaptable
<i>Bergenia</i> . "Bressingham White"	Groundcover; Pigsqueak; Himalayas; 0.4m h x 0.8m w; The blooms of 'Bressingham White' emerge blush-pink before turning to pure white over rosettes of thick, semi-evergreen foliage that stand out in the garden.; Flowers: Spring; Flower Colour: White; Semi Shade; Moist
<i>Bergenia cordifolia</i>	0.3m h x 0.4m w; OGA sale; Flowers: Win/Spr; Flower Colour: Pink; Semi Shade; Adaptable
<i>Beyeria leschenaultii</i> "RARE"	Shrub; Turpentine Bush; Vic., NSW.; 1.5m h x 1m w; C21. Rare plant. Sticky shrub with small pale cream flowers. Also known as Felted Wallaby Bush.; Flowers: Spring; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Billbergia zebrina</i>	Fern/Shade; 1m h x 0.2m w; Epiphytic perennial with striped foliage and stunning flowers of watermelon pink with blue and cream.; Flowers: Aut/Win; Flower Colour: Pink; Sun; Well Drained
<i>Bletilla striata</i>	Bulb/Corm; Hyacinth Orchid; Asia; 0.6m h x 0.3m w; Tall sprays of miniature orchid type flowers. Form broad clumps of foliage, soft pleated leaves rising from tubers.; Flowers: Summer; Flower Colour: Pink; Semi Shade; Well
<i>Brachyscome multifida</i>	Groundcover; Cut leaf daisy; 0.25m h x 0.25m w; C21. Low growing perennial herb. Flowers range in colour from mauve and purple to pinks, whites and lemon throughout the year with major flushes in Spring and Summer. Indigenous to Geelong area.; Flowers: Spr/Sum; Flower Colour: Various; Sun/Semi Shade
<i>Brachyscome multifida</i> "w"	Groundcover; 0.3m h x 0.3m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Brachyscome segmentosa</i> "jumbo tricolour"	Groundcover; 0.3m h x 0.5m w; Flowers: Win/Spr; Flower Colour: Mauve; Semi Shade; Moist
<i>Brachyscome</i> sp "pink candy"	Groundcover; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Bromeliad</i> sps	Fern/Shade; Sth America; Monocot flowering plant family: some epiphytic, some with very high flower stalks. The foliage rosette, is the most widely patterned and colored of any plant in the world: maroon, green, gold with red, yellow, white and cream variegations.; Shade; Dry
<i>Brunoniella australis</i>	Groundcover; Blue Trumpets; NSW, Vic, WA (in woodland areas); 0.1m h x 0.3m w; Prostrate or erect herb, often sprawling or scrambling, with few branches. Clusters of tuberous roots are joined by an underground rhizome. Blue trumpet flowers in leaf axils.; Flowers: Spr/Sum; Flower Colour: Blue; Shade/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Buddleja "Silver Anniversary"</i>	Shrub; Asia; 1.5m h x 1.2m w; Compact plant with felted silver foliage and ivory-white flowers. GBG silver border. Aka B. Morning Mist.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Buddleja . "w"</i>	Shrub; Butterfly Bush; Asia, USA.; 3m h x 3m w; Upright shrub with arching branches & silvery appearance.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Buddleja asiatica</i>	Shrub; Asia; 3m h x 2m w; Long nodding spikes of fragrant white flowers. Can be used as cut flowers. Long narrow greyish leaves on slender branches; Flowers: Win/Spr; Flower Colour: White; Sun; Well Drained
<i>Buddleja davidii "w"</i>	Shrub; 2m h x 1.5m w; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Buddleja dysophylla</i>	Shrub; African Buddleia; Africa; 5m h x 2m w; Straggling shrub, only erect if isolated, with divaricate branching. The dense branchlets bear opposite, petiolate leaves, triangular to ovate. Flowers are cream, white or mauve.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Buddleja fallowiana "Lochinch"</i>	Shrub; Summer Lilac; 3m h x 2m w; 'Lochinch' has extremely fragrant lilac-blue flowers with orange eyes. It is a cross between B. davidii and B. fallowiana, with silvery appearance. Its arching, mounded habit typically reaches 3 to 5 feet in one season, but can grow much taller.; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Adaptable
<i>Buddleja globosa</i>	Shrub; Orange Ball Tree; Chile; 3m h x 3m w; Large shrub, with silvery hairy leaves and yellow or orange flowers borne in round heads. Fast growth in mild moist climates.; Flowers: Spr/Sum; Flower Colour: Orange; Sun; Well
<i>Buddleja salviifolia</i>	Shrub; Sagewood; South Africa; 5m h x 4m w; Shrub to small tree with drooping branches and fragrant lilac flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Buddleja weyeriana</i>	Shrub; golden butterfly bush; 3.5m h x 4m w; Scented flowers with scented dense round heads with orange centres.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun; Well Drained
<i>Bulb unknown</i>	Bulb/Corm; Unidentified bulbs from 2013 stocktake. Origin - Jackie Kos
<i>Buxus sempervirens</i>	Shrub; Box; Europe; 1.5m h x 1m w; Hedging plant - very slow growing.; Flowers: Spring; Sun/Semi Shade; Well Drained
<i>Bystropogon canariensis</i>	Shrub; Canary Islands; 2m h x 1m w; Evergreen shrub with small grey-green leaves with a Pennyroyal scent. Masses of fluffy grey flowers are produced almost throughout the summer and autumn. The flowering stems are fantastic for floral art and last for ages.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Camellia japonica "Ama-No-Gawa"</i>	Shrub; 2.5m h x 1.5m w; Semi-double camellia with glossy leaves and flowers varying from crimson to carmine.; Flowers: Winter; Flower Colour: Red; Shade/Semi Shade; Moist
<i>Camellia japonica "Anne Marie Hovey"</i>	Shrub; 2.5m h x 1.5m w; Glossy dark green leaves. Flowers are pink with white blotches.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade;
<i>Camellia japonica "Brushfield's Yellow"</i>	Shrub; Asia; 5m h x 4m w; Flower Colour: Cream; Shade/Semi Shade; Moist
<i>Camellia japonica "C.M. Hovey"</i>	Shrub; Asia; 5m h x 4m w; Flowers: Win/Spr; Flower Colour: Red; Shade/Semi Shade; Moist
<i>Camellia japonica "Red Ensign"</i>	Shrub; Asia; 5m h x 4m w; Flowers: Win/Spr; Flower Colour: Red; Shade/Semi Shade; Moist
<i>Camellia sasanqua "Monozono"</i>	Shrub; Japan; 2.5m h x 1.5m w; Flowers are single and are a pale shell pink It will tolerate more sun than other camellias.; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Campanula "pmv"</i>	Groundcover; Bell Flower; Europe; 0.5m h x 0.6m w; Flowers: Summer; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Canarina canariensis</i>	Perennial; Canary bell flower; Canary Islands; 1.2m h; Climber with large campanula striped orange bell flowers.; Flowers: Win/Spr; Flower Colour: Orange; Semi Shade; Well Drained
<i>Canna . "President Faivre(?)"</i>	Bulb/Corm; 1.25m h x 0.75m w; It came from the perennial border where it has been a feature plants for many years.. Leaves are bronze; Flowers: Sum/Aut; Flower Colour: Orange; Sun; Well Drained
<i>Canna iridiflora</i>	Bulb/Corm; Sth America; 2m h x 1m w; Flowers are smaller & more delicate than usual and a shocking pink. From perennial border GBG.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Canna x generalis "M y"</i>	Perennial; Sth America; 1.5m h x 1m w; Medium perennial with a rhizomatous rootstock. The broad, flat, alternate leaves grow out of a stem in a long narrow roll and then unfurl.; Flowers: Sum/Aut; Flower Colour:
<i>Canna x generalis "p"</i>	Bulb/Corm; 1m h x 0.5m w; Large perennial with a rhizomatous rootstock & narrow burgundy leaves. Flowers are pink.; Flowers: Summer; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Canna x generalis "T lemon"</i>	Perennial; 1.5m h x 0.5m w; Tall perennial with a rhizomatous rootstock. The broad, flat, alternate leaves grow out of a stem in a long narrow roll and then unfurl. Flowers are soft lemon.; Flowers: Autumn; Sun/Semi Shade;
<i>Canna x generalis "T o"</i>	Perennial; Tropical Sth America; 1.5m h x 0.5m w; Large perennial with a rhizomatous rootstock. The broad, flat, alternate leaves grow out of a stem in a long narrow roll and then unfurl.; Flowers: Sum/Aut; Flower Colour: Orange; Sun; Moist
<i>Canna x generalis "Tbr"</i>	Bulb/Corm; bengal tiger; 1.75m h x 0.5m w; Foliage is bronze and is very tall; Flowers: Sum/Aut; Flower Colour: Orange; Sun; Well Drained
<i>Canna x generalis "TR r"</i>	Perennial; Tropical Sth America; 2m h x 1m w; Large perennial with a rhizomatous rootstock. The broad, flat, red leaves grow out of a stem in a long narrow roll and then unfurl.; Flowers: Sum/Aut; Flower Colour: Red;
<i>Cantua buxifolia</i>	Shrub; Sacred Flower --; South America; 2m h x 1m w; Sacred flower of the Incas, Magic Flower has pendulous, trumpet-shaped flowers on weak stalks. Widely cultivated for the elegance of its brightly coloured flowers often in stark contrast with the bare, untidy stems and branches.; Flowers: Spring; Flower Colour: Pink; Sun; Well Drained
<i>Capsicum sp "Bolivian Rainbow Chilli"</i>	Herb; Flowers: Sum/Aut; Flower Colour: White; Sun; Well Drained
<i>Capsicum sp "winter chilli"</i>	Perennial; 1.5m h x 0.4m w; Flowers: Spr/Sum; Sun; Well Drained
<i>Carissa macrocarpa</i>	Shrub; S Africa; 2m h x 2m w; Dense shrub. Grows quickly. Red fleshy fruits which make delicious jelly.; Flowers: Spr/Sum; Flower Colour: White; Sun
<i>Carpobrotus glaucescens</i>	Succulent; Eastern states; 0.2m h x 0.8m w; Succulent coastal groundcover native to temperate eastern Australia. Succulent leaves are straight or slightly curved. Flowers are 3.2-6 cm wide, and light purple; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained
<i>Castanospermum australe</i>	Tree; Qld Black Bean; Qld; 9m h x 5m w; Rainforest tree with pea-like flowers which turn from yellow to orange-red, followed by long seed pods. Can be grown in pots.; Flowers: Autumn; Flower Colour: Orange; Sun; Moist
<i>Centradenia floribunda</i>	Shrub; Mexico; 0.2m h x 0.2m w; Flowers: Win/Spr; Flower Colour: Pink; Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Centradenia grandiflora</i>	Shrub; 1m h x 1.5m w; Loose shrub with reddish bronze foliage with red undersides & unusual colored cerise blossoms. The foliage becomes even redder in cool temps. Works well in baskets.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Adaptable; Frost Tender
<i>Centranthus ruber "Albus"</i>	Shrub; Valerian; 0.9m h x 0.5m w; Bushy, clump-forming, woody-based perennial which produces a showy bloom in poor soils from spring to frost. 'Albus' is a white-flowered form of the popular red valerian. Small, star-shaped, white flowers appear in dense terminal clusters.; Flowers: Spr/Sum; Flower Colour: White; Sun; Adaptable; Drought Tolerant
<i>Centranthus ruber "p"</i>	Perennial; Valerian; Mediterranean & W Asia; 0.3m h x 0.8m w; Red Valerian.; Flowers: All Year; Flower Colour: Pink; Sun; Well Drained
<i>Cephalotaxus fortunei</i>	Tree; Chinese plum yew; North Burma/China; 5m h x 3m w; Hardy shrub or small tree with whorled branches and linear curved leaves. Glossy purplish brown seeds with a fleshy covering.; Flowers: Spring; Flower Colour: Cream; Sun/Semi Shade; Adaptable
<i>Ceratostigma willmottianum</i>	Perennial; China. S.E. Asia; 1.5m h x 1.5m w; A tough sun loving shrub with pure blue flowers in late summer, the flowering continues into autumn at the same time as the leaves turn red.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Cerinthe major</i>	Perennial; Southern Europe; 0.45m h x 0.45m w; Bushy rather succulent annual. Leaves are strongly heart shaped with white spots in the centre with a silver appearance. Flowers are one-inch long, purple tubes surrounded by large, almost heart shaped, purple-blue bracts. Self-seeds in situ.; Flowers: Spring; Flower Colour: Purple; Sun; Well Drained
<i>Cestrum fasciculatum "Newellii"</i>	Shrub; 3m h x 2.5m w; Evergreen shrub with arching branches and narrow ovate dark-green leaves. From spring till autumn Red Cestrum puts out dense blooms of crimson tubular flowers.; Flowers: Sum/Aut; Flower Colour: Magenta; Sun/Semi Shade; Adaptable
<i>Choisya ternata</i>	Shrub; Mexican Orangeblossom; Mexico; 2m h x 2m w; Rounded evergreen with glossy leaves and perfumed white flowers.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Chrysanthemum "b"</i>	Perennial; From perennial border - Tawny brown pompom flowers with a yellow centre.; Flowers: Aut/Win; Flower Colour: Brown; Sun; Well Drained
<i>Chrysanthemum "y"</i>	Groundcover; 0.4m h x 0.2m w; Flowers: Autumn; Flower Colour: Yellow; Sun/Semi Shade; Adaptable
<i>Cistus x argenteus "Silver Pink"</i>	Shrub; Rock Rose; Mediterranean; 0.8m h x 0.8m w; Hardy shrub with pale pink flowers and small grey-green leaves.; Flowers: Summer; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Citharexylum spinosum</i>	Tree; Fiddlewood; Sth America; 5m h x 3m w; Evergreen tree with spectacular bronze foliage in winter and spring. Small fragrant flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable; Frost
<i>Clerodendrum ugandense</i>	Shrub; Blue Butterfly Bush; Tropical Africa; 1.5m h x 1.5m w; Fast-growing shrub with blue flowers shaped like butterflies.; Flowers: Spring; Flower Colour: Blue; Sun/Semi Shade; Moist
<i>Clivea miniata</i>	Fern/Shade; Bush Lily; S.Africa; 0.5m h x 0.5m w; Evergreen with strap-shaped semi-erect leaves. Stems each produce a head of erect orange or orange-red flowers. Drought tolerant when established;; Flowers: Win/Spr; Flower Colour: Orange; Shade; Well Drained; Drought Tolerant; Frost
<i>Clivea nobilis</i>	Fern/Shade; S.Africa; 0.8m h x 0.5m w; Evergreen with strap-shaped semi-erect leaves. Stems each produce a head of pendant orange or orange-red flowers. Drought tolerant when established;; Flowers: Win/Spr; Flower Colour: Orange; Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Coreopsis grandiflora</i>	Groundcover; 0.5m h x 0.5m w; Compact perennial form with very showy flowers. Lanceolate leaves are up to 4 inches (10 cm) long by 1 inch (2.5 cm) wide and medium to dark green.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Coreopsis sp</i>	Groundcover; 0.45m h x 0.45m w; Flowers: Summer; Flower Colour: Yellow; Sun; Adaptable
<i>Coriandrum sativum</i>	Herb; Coriander; S. Europe, Africa, Asia; 0.2m h x 0.2m w; Aromatic herb, used in Asian cooking.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Moist
<i>Cornus alba "Sibirica"</i>	Shrub; Siberian Dogwood; Siberia, China, Korea; 2.5m h x 1.5m w; Large shrub/ small tree. A popular ornamental used in landscaping and noted for the red stems in autumn.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Cornus stolonifera</i>	Shrub; Red Osier Dogwood; North America; 2.5m h x 3m w; Deciduous shrub suckering freely. Young shoots are dark red especially in winter. Location: 2nd long bed on north side GBG; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Correa "Bush Pearl"</i>	Shrub; 0.25m h x 1m w; Flowers: Aut/Win; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Correa "Marion's Marvel"</i>	Shrub; SA; 2m h x 3m w; Hardy shrub with yellow-green bell flowers with hints of pink that look great in floral arrangements. Foliage is shiny and attractive, usually rounded and neat. Can be trimmed as a hedge. C. reflexa x C. backhousia.; Flowers: Aut/Win; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Correa "Skye Bells"</i>	Shrub; 1.2m h x 1.2m w; A cultivar of correa reflexa. Flowers are pink with white tips.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Correa alba "p"</i>	Shrub; 1.5m h x 1m w; C21. Rounded medium shrub with glaucous, almost round leaves, giving a silvery appearance. Bears open white (rarely pink) flowers mainly in winter, but there are some flowers for most of the year. Good coastal & hedging plant. Indigenous to Geelong area.; Flowers: Winter; Flower Colour: Pink; Sun; Well Drained; Drought Tolerant
<i>Correa alba "St Andrews"</i>	Shrub; 1.5m h x 1m w; Fast growing with white bell shaped flowers opening to 4 star blooms.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Correa backhousia</i>	Shrub; 1.8m h x 1.8m w; Evergreen shrub with cream green flowers with golden brown edges. Attracts birds. Suitable for coastal planting; Flowers: Win/Spr; Flower Colour: Cream; Sun; Well Drained
<i>Correa bauerlennii</i>	Shrub; Chef's Cap Correa; NSW; 1.5m h x 1.5m w; Rounded shrub with glossy green leaves and green bell-shaped flowers in distinctive 'chef's cap' shape.; Flowers: Win/Spr; Flower Colour: Green; Shade; Well Drained
<i>Correa glabra</i>	Shrub; NSW, Qld, Vic., SA; 2m h x 2.5m w; C21. Rounded shrub to 2.5m, often less, with smooth, rounded leaves. Green tubular flowers in winter;; Flowers: Winter; Flower Colour: Green; Semi Shade; Well Drained; Drought
<i>Correa glabra (Barwon River)</i>	Shrub; Geelong region; 1.5m h x 1.5m w; Rounded shrub with smooth rounded leaves & red tubular flowers. Indigenous to Geelong region.; Flowers: Win/Spr; Flower Colour: Red; Semi Shade; Well Drained
<i>Correa pulchella</i>	Shrub; 0.5m h x 0.5m w; Small shrub with dusky pink tubular flowers. Sourced from GBG car park.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Correa pulchella</i> (Kangaroo)	Groundcover; SA; 0.2m h x 0.5m w; C21. Dainty prostrate shrub with variable leaves and vivid orange-pink bell-shaped flowers.; Flowers: Aut/Win; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Correa reflexa</i>	Shrub; Native fuchsia; All states except N.T.; 1.5m h x 1m w; Variable shrub, upright, spreading or prostrate. Leaves and flowers are also variable: bell-shaped flowers from greenish-yellow to pink to deep red with yellow tips, including 'lemon-lime', red & cream, etc.; Flowers: Winter; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Correa reflexa</i> (Brisb.Ra.)	Shrub; Brisbane Ranges; 0.6m h x 1m w; C21. Low shrub with stunning yellow-tipped red flowers. Flowers are larger than normal correa bells. Indigenous to Geelong area.; Flowers: Win/Spr; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Correa reflexa</i> (Portland)	Shrub; Portland, Victoria; 0.4m h x 1m w; Low spreading shrub with pale green flowers.; Flowers: Win/Spr; Flower Colour: Green; Semi Shade; Well
<i>Correa reflexa</i> var. <i>nummularifolia</i>	Shrub; 0.5m h x 1m w; Spreading shrub to 40cm high x 1m wide - small neat oval leaves are a feature - cream bell-shaped flrs in Wi & Sp - requires good drainage - frost tolerant - sun or part shade.; Flowers: Win/Spr; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Correa</i> sp	Shrub; 1.2m h x 1.2m w; seedlings from GBG with bird attracting flowers - tubes pink and yellow; Flowers: Aut/Win; Flower Colour: Pink; Sun; Well Drained
<i>Cotyledon orbiculata</i>	Succulent; South Africa; 0.05m h x 0.3m w; Silver foliage. Succulent shrub with grey, opposite leaves with red margins and a powdery bloom. Ground cover. GBG Silver Border.; Flowers: Summer; Flower Colour: Orange; Sun;
<i>Cotyledon teretifolia</i>	Succulent; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Cotyledon undulata</i>	Succulent; 0.8m h x 1.5m w; Succulent with large powdery-silver-grey leaves. Semi frost-tolerant.; Flower Colour: Orange; Sun/Semi Shade; Well
<i>Crassula arborescens</i>	Succulent; Silver Jade Plant; South Africa; 2m h x 2m w; Fleshy pale blue-green rounded leaves on a stout erect stem, growing up to 2m. White-pink flowers.GBG Silver Border.; Flowers: Summer; Flower Colour: Pink; Shade/Semi Shade; Well Drained; Drought Tolerant
<i>Crassula golum</i> "Green Coral"	Succulent; 0.4m h x 0.6m w; Sun/Semi Shade; Well Drained
<i>Crassula ovata</i> "Variegata"	Succulent; Jade Plant; 1m h x 0.5m w; Evergreen plant with thick branches and smooth, rounded, rich jade green fleshy leaves, with cream stripes. Smaller and slower growing than the species.; Flowers: Spring; Shade/Semi Shade; Well Drained
<i>Crithmum maritimum</i>	Herb; Rock Samphire; U.K.; 0.4m h x 0.9m w; Culinary herb. Rock samphire has fleshy, divided aromatic leaves with a pleasant, hot and spicy taste. The stems, leaves and seed pods may be pickled in hot, salted, spiced vinegar, or the leaves used fresh in salads.; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained

<i>Cyclamen</i> "Mixed Colours"	Bulb/Corm; Mediterranean; 0.3m h x 0.3m w; Cyclamen is a genus of 23 species of perennials growing from tubers, valued for their flowers with upswept petals and variably patterned leaves. Most modern cultivars are descended from <i>C. Persicum</i> .; Flowers: Winter; Flower Colour: Various; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Cyperus albostriatus "Variegatus"</i>	Grass; South Africa; 0.3m h x 0.6m w; An attractive foliage plant for use in wet boggy places. Flowers are very small; Sun; Moist
<i>Cyperus lucidus</i>	Grass; Chocolate soldier; Eastern states, incl. Geelong region; 1m h x 0.3m w; Robust perennial sedge growing from a short, thick rootstock. The leaves are thick and glossy, flowers form an attractive head which is bright red when young, turning red-brown as it matures. Indigenous to Geelong area.; Flowers: Spring; Flower Colour: Red; Sun/Semi Shade; Moist
<i>Cyphanthera albicans</i>	Shrub; Grey Ray Flower; Qld, NSW, Vic; 2m h x 2m w; Erect shrub with grey hairy foliage and creamy white flowers with purple streaks inside.; Flowers: Aut/Win; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Dahlia "Country Fire"</i>	Bulb/Corm; 0.9m h x 0.5m w; Branching, tuberous tender perennial.; Flowers: Summer; Flower Colour: Orange; Sun; Adaptable
<i>Dahlia "y"</i>	Bulb/Corm; 1m h x 0.7m w; Branching, tuberous tender perennial with single yellow flowers.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun; Adaptable
<i>Dahlia "Yellow Blush"</i>	Bulb/Corm; 1m h x 0.7m w; Branching, tuberous tender perennial with single yellow flowers.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun; Adaptable
<i>Dahlia collerette</i>	Bulb/Corm; Central America; 1.5m h x 0.5m w; Open pink blooms with an inner ring of white florets and yellow stamens.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Well Drained
<i>Dahlia imperialis</i>	Bulb/Corm; Tree Dahlia; Central America; 4m h x 1m w; Tall perennial with thick bamboo-like stems & double white flowers; Flowers: Autumn; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Dahlia sp "variegated"</i>	Bulb/Corm; 0.7m h x 0.4m w; Flowers: Spr/Sum; Sun; Well Drained
<i>Derwentia perfoliata</i>	Shrub; Digger's speedwell; NSW, ACT, Vic. including Brisbane Ranges; 1m h x 1m w; C21. Indigenous to Geelong area. Perennial with distinctive silver grey leaves on arching stems and terminal sprays of blue-violet flowers. This plant flowers for much of the year, mainly in spring and summer.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Derwentia perfoliata "Brisbane Ranges form"</i>	Shrub; diggers speedwe;;; Vic, Brisbane Ranges; 0.75m h x 1m w; Has smaller, pointier leaves than the standard form. Perennial with distinctive silver grey leaves on arching stems and terminal sprays of blue-violet flowers. This plant flowers for much of the year.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Deutzia scabra</i>	Shrub; Fuzzy Deutzia; Asia; 2m h x 3m w; Arching shrub with dense cylindrical pannicles of honey scented white flowers tinged with pink.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Dianella callicarpa</i>	Grass; Beauty Berry; 0.5m h x 0.5m w; C21. Evergreen perennial with grass-like leaves. Plant is mat-forming, from stout, creeping rhizomes. Berries are dark blue to purple and long-lasting. Similar to <i>D.tasmanica</i> . Rare in Victoria.Top Ten GBG.; Flowers: Spring; Flower Colour: Blue; Sun/Semi Shade; Moist
<i>Dianthus "r"</i>	Perennial; Eurasia; 0.5m h x 0.2m w; Slow-growing perennial with crowded flattened heads of single red flowers. Silver grey foliage.; Flowers: Spring; Flower Colour: Red; Sun; Well Drained
<i>Dichondra argentea "Silver Falls"</i>	Groundcover; 0.12m h x 1.2m w; Spectacular groundcover that is very easy to grow, with grey-blue leaves and insignificant flowers. GBG silver border.; Sun/Semi Shade
<i>Dichroa versicolor</i>	Shrub; S.E. Asia; 1.5m h x 1m w; Hardy shade loving shrub with white buds which open to all shades of beautiful bi-coloured blue. It is quite suitable for container growing. Planted along driveways and large garden pathways in rows, it makes a lovely loose shaped and colourful hedge.; Flowers: Spring; Flower Colour: Blue; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Dicliptera suberecta</i>	Groundcover; humming bird bush; Uruguay; 0.4m h x 0.4m w; Low spreading perennial with profuse orange-red flowers. Silver grey leaves.; Flowers: Summer; Flower Colour: Orange; Sun; Well Drained; Drought
<i>Dierama pulcherrimum</i>	Bulb/Corm; Fairy Fishing Rod; Sth Africa; 1.5m h x 0.3m w; Graceful plant with flowers appearing on the end of long stems 40 - 100cm. Pink or white pendulous bell shaped flowers above grasslike evergreen foliage.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Dietes bicolor</i>	Grass; Spanish/African Iris; South Africa; 1m h x 1m w; Hardy strappy tufted plant with cream & brown flowers.; Flowers: Spr/Sum; Flower Colour: Cream; Sun; Well Drained; Drought Tolerant
<i>Dietes grandiflora</i>	Grass; Wild iris; South Africa; 1m h x 1m w; A tall strappy grass with white/blue iris flowers. Very hardy.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Dietes iridioides</i>	Grass; southern Africa; 0.6m h x 0.5m w; Branching wiry stems with iris like white flowers with central yellow & mauve marks.; Flowers: Spr/Sum; Flower Colour: White; Semi Shade; Well Drained
<i>Disphyma crassifolium</i>	Succulent; Rounded Noon Flower; Vic., SA; 0.1m h x 0.4m w; Hardy succulent which is especially good for areas where salinity is a problem. It would be good on an embankment. The plant makes roots at each node where it touches the soil.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained; Drought Tolerant
<i>Dodonaea adenophora</i>	Shrub; Hop Bush; WA; 1.5m h x 1.5m w; Ferny foliage with striking bronzed winged fruit.; Flowers: Win/Spr; Flower Colour: Red; Semi Shade;
<i>Dodonaea procumbens</i>	Shrub; Trailing Hopbush; NSW, Vic., SA; 0.6m h x 2m w; Dwarf spreading shrub with insignificant flowers and colourful winged capsules, from green to dark purple.; Flowers: Spr/Sum; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Doryanthes excelsa</i>	Perennial; Gynea Lily; East Coast; 1.4m h x 2.1m w; Stiff rosette of broad sword shaped leaves 1-2 metres long. Large globular flower head of bright red flowers on a single stiff stem which may reach 4 metres. Plants may take 10 years to flower.; Flowers: Spr/Sum; Flower Colour: Red; Sun; Well Drained
<i>Duranta erecta</i>	Shrub; Pigeon Berry; Central America; 3m h x 2m w; Flowers are pale mauve blue with a cream eye. Fruits in late summer and autumn with small yellow berries.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained
<i>Duranta erecta "Alba"</i>	Shrub; white dewdrop; Central America; 3m h x 2m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Dymondia margaretae</i>	Groundcover; Sth Africa; 0.2m h x 0.2m w; Prostrate perennial with short linear dark green leaves with silvery undersides. Flowers are small yellow & daisy-like. Good hanging basket plant.; Flowers: Spring; Flower Colour: Yellow; Sun; Well Drained
<i>Echeveria "Black Prince"</i>	Succulent; Mexico; 0.1m h x 0.3m w; Flowers: Aut/Win; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Echeveria glauca</i>	Succulent; Mexico, Sth America; 0.2m h x 0.3m w; Low-growing large rosette-forming succulent with pale silvery blue green leaves. Fast growing, hardy species with 10cm rosettes in clumps up to 30cm. Flowers are reddish pink.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Echium candicans</i>	Shrub; Pride of Madeira; 1.8m h x 2.5m w; Syn. <i>Echium fastuosum</i> . Soft-wooded shrub with silver-grey leaves and 60cm spires of vivid blue flowers.; Flowers: Spr/Sum; Flower Colour: Blue; Sun; Well Drained
<i>Elegia capensis</i>	Grass; cape reed; South Africa; 1.5m h x 0.9m w; Fluffy branching green stems with a attractive bronze bracts that run up the stems at nodes.; Flower Colour: Brown; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Eremophila alternifolia</i>	Shrub; Native Honeysuckle; 2m h x 2m w; Medium shrub, with pink to carmine flowers. Suitable for hedging. Attractive to birds.; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Eremophila glabra "Kalbarri"</i>	Groundcover; W.A.; 0.3m h x 1.5m w; Low-growing hardy shrub with silver grey leaves and bright yellow flowers for much of the year.; Flower Colour: Yellow; Sun; Well Drained
<i>Eremophila maculata "Aurea"</i>	Shrub; Mainland states; 2m h x 2m w; Variable shrub, hardy and reliable; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained; Drought
<i>Eremophila maculata "m"</i>	Shrub; 1.5m h x 1.5m w; Hardy variable shrub with narrow leaves & pale mauve flowers with creamy spotted throat.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained
<i>Eremophila nivea</i>	Shrub; W.A.; 2m h x 1.5m w; Upright open plant to 2m with silver grey linear leaves and lilac tubular flowers to 2cm. Needs an open, sunny situation.; Flowers: Spring; Flower Colour: Mauve; Sun; Well Drained; Drought Tolerant
<i>Eremophila sp</i>	Shrub; 1m h x 1.3m w; Flowers: Spr/Sum; Flower Colour: Orange; Sun; Well Drained
<i>Eremophila sturtii</i>	Shrub; Turpentine Bush; Central Australia; 1.5m h x 1m w; Ornamental slender shrub with sticky leaves and masses of pink flowers over most of the year. Frost and drought tolerant.; Flowers: All Year; Flower Colour: Pink; Sun; Well Drained; Drought Tolerant
<i>Eremophila viscida</i>	Shrub; varnish bush; WA; 4m h x 1.5m w; flowers are white to pale yellow with purple spotted interior. Fast growing and good for screening or wind break.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Eremophila weldii</i>	Shrub; Small leaved emu bush; S.A., W.A.; 1m h x 1m w; C21. Small open shrub with blue-mauve flowers with a spotted throat, about 1.5cm long. Can make a useful potplant.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Eriocephalus africanus</i>	Shrub; Woolly Bush; S. Africa; 1m h x 0.5m w; C21. Bushy evergreen fragrant shrub, sometimes known as African rosemary. Flowers are white with purple centre.; Flowers: Winter; Flower Colour: White; Sun/Semi Shade;
<i>Erysimum "Winter Joy"</i>	Perennial; Wall Flower; 0.6m h x 0.5m w; Bicolour perennial with deep mauve and apricot flowers. (Syn Cheiranthus); Flowers: Win/Spr; Flower Colour: Bicolour; Sun/Semi Shade; Adaptable
<i>Erysimum cheiri "br"</i>	Perennial; Wall Flower; 0.7m h x 0.5m w; syn Cheiranthus. Perennial herb with brownish flowers.; Flowers: Win/Spr; Flower Colour: Brown; Sun/Semi Shade; Adaptable
<i>Erysimum linifolium</i>	Perennial; Fairy Wallflower; Spain, Portugal; 1m h x 1m w; Clusters of dainty mauve/violet flowers from spring to autumn.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Erysimum mutabilis "bicolour"</i>	Perennial; Wallflower; Spain, Canary Islands; 1m h x 1m w; Syn. Cheiranthus mutabilis. Tricolour shrub with yellow, mauve and apricot flowers.; Flowers: Spring; Flower Colour: Bicolour; Sun; Well Drained;
<i>Erythrina crista-galli</i>	Tree; Coral Tree; South America; 6m h x 3m w; Tall erect shrub or small tree with dramatic red pea flowers in clusters. Branches are covered with sharp spines.; Flowers: Sum/Aut; Flower Colour: Red; Sun; Well Drained
<i>Escallonia illinita</i>	Shrub; Curry Bush; Chile; 2m h x 1.5m w; Aromatic shrub with glossy leaves and curry smell (not culinary).; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Adaptable; Drought Tolerant
<i>Escallonia organensis</i>	Shrub; 1.5m h x 1.5m w; Longflowering shrub with rose-pink flowers.; Flowers: Summer; Flower Colour: Pink; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Escallonia rubra.var.macrantha</i>	Shrub; 3m h x 2m w; Flowers are red or white to pink clusters .; Flowers: Sum/Aut; Flower Colour: Red; Sun; Well Drained
<i>Eucalyptus forrestiana</i>	Tree; Fuschia Gum; Esperance WA; 4m h x 3m w; Flowers: Summer; Flower Colour: Pink; Sun; Adaptable
<i>Eucomis comosa</i>	Bulb/Corm; Pineapple Lily; South America; 0.75m h x 0.2m w; Deciduous lily with strappy leaves and spikes of icy white-green perfumed flowers, sometimes spotted with purple. Syn E. punctata.; Flowers: Sum/Aut; Flower Colour: White; Shade/Semi Shade; Well Drained; Frost Tender
<i>eupatorium megalophyllum</i>	Shrub; Mist Flower; Mexico; 1.5m h x 1.6m w; Large-leaved shrub with dramatic wide heads of lilac flowers.; Flowers: Spring; Flower Colour: Mauve; Sun/Semi Shade; Adaptable
<i>eupatorium purpureum ssp maculatum "Gateway"</i>	Perennial; 1.5m h x 1m w; Statuesque perennial with enormous dusty-pink flowers that attracts multitudes of butterflies. Stems are wine-red.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Moist
<i>Euphorbia caput medusa</i>	Succulent; South Africa; 0.3m h x 1.2m w; Flowers: Autumn; Flower Colour: Cream; Sun; Adaptable
<i>Euphorbia characias ssp wulfenii "Silver Swan"</i>	Succulent; Silver Swan; 0.7m h x 0.7m w; Medium succulent plant with silver-edged grey-green leaves and cream to lime green flowers. GBG silver border.(Not for sale: subject to PBR); Flowers: Winter; Flower Colour: Green; Sun; Well Drained; Drought Tolerant
<i>Euphorbia pulcherrima</i>	Shrub; Poinsettia; Mexico & Sth America; 3m h x 2m w; Flowers are insignificant & green, surrounded by pink or red leaflike bracts from late autumn to spring.; Flowers: Aut/Win; Flower Colour: Pink; Sun; Adaptable
<i>Euphorbia wulfenii</i>	Shrub; Wulfen Spurge; Dalmatia; 1.5m h x 1m w; Silver foliage with dome-like chartreuse flower heads. Syn E characias subsp wulfenii. GBG Silver border.; Flowers: Winter; Flower Colour: Green; Any; Adaptable; Drought
<i>Euryops virgineus</i>	Perennial; Sth Africa; 1.5m h x 1m w; Small bright green leaves, upright habit. Flowers for most of the year. Suits seaside gardens.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Filipendula palmata</i>	Perennial; Siberian Meadowsweet; China; 0.5m h x 1m w; Clumping perennial with up to 12 inch long, fern-like, palmate leaves with woolly undersides. Small, 1/4 to 3/8 inch wide flowers are borne on airy corymbs up to 8 inches long in summer.; Flowers: Sum/Aut; Flower Colour: Pink;
<i>Filipendula ulmaria</i>	Perennial; Meadowsweet; Europe & Nth America; 1.5m h x 0.5m w; Meadowsweet has delicate, graceful, creamy-white flowers clustered close together in handsome irregularly-branched cymes, having a very strong, sweet smell. They flower from early summer to early autumn.; Flowers: Sum/Aut; Flower Colour: Cream; Sun/Semi Shade; Adaptable
<i>Fragaria sp "y"</i>	Groundcover; 0.5m h x 0.3m w; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Francoa ramosa</i>	Perennial; Bridal Wreath; Chile; 0.7m h x 0.5m w; The longest flowered of all the bridal wreaths. Long wands densely packed with showy white flowers are produced during summer and autumn over low mounds of evergreen foliage.; Flowers: Sum/Aut; Flower Colour: White; Shade/Semi Shade; Moist
<i>Fuchsia "Tom Thumb"</i>	Shrub; 0.3m h x 0.3m w; This small upright bushy shrub bears profuse small single flowers with pinkish-red tubes and sepals with pinkish-purple petals veined red. This free-flowering plant makes an excellent miniature standard.; Flowers: Summer; Flower Colour: Pink; Sun/Semi Shade; Well
<i>Fuchsia "Tr"</i>	Shrub; JD's garden; 2m h x 1.5m w; Tall shrub with glossy dark green leaves and rich pinky-red flowers.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Fuchsia</i> . " <i>Patio Princess</i> "	Shrub; 1m h x 0.75m w; Flowers are pink and white; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Moist
<i>Gasteria pillansii</i>	Succulent; Sth Africa; 0.1m h x 0.1m w; Stemless succulent which spreads from underground stolons. The leaves are mottled with white spots in transverse bands, giving a silver appearance.; Flower Colour: Orange; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Gaura lindheimeri</i>	Perennial; Whirly Birds; N. America; 1m h x 1m w; Flat, 4-petalled pink or white flowers to 1.5m.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Well
<i>Geranium maderense</i>	Shrub; Madeira; 1.5m h x 1.5m w; Robust but short-lived evergreen perennial or biennial to 1.5m, with attractively dissected leaves to 20cm in length and large panicles of purplish-pink flowers 4cm across, with darker centres.; Flowers: Win/Spr; Flower Colour: Purple; Sun/Semi Shade; Well
<i>Ginkgo biloba</i>	Tree; Maidenhair tree; China; 30m h x 10m w; Deciduous tree with unique fan-shaped leaves, turning gold in autumn, and small loquat-like fruit.; Sun/Semi Shade; Well Drained
<i>Gleditsia triacanthos</i> " <i>Sunburst</i> "	Tree; Honey Locust; USA; 21m h x 45m w; Sun; Adaptable
<i>Gloriosa rothschildiana</i>	Bulb/Corm; Gloriosa Lily; Tropical Africa; 1m h x 0.5m w; Stunning flowers, yellowish-white at the base, deepening to ruby-crimson at the tip. Lily-like leaves become clinging tendrils. Dormant in winter.; Flowers: Summer; Flower Colour: Red; Sun; Well Drained; Frost Tender
<i>Glyceria maxima variegata</i>	Grass; Variegated Manna Grass; Europe; 0.8m h x 0.8m w; Green leaves boldly variegated with yellow and white stripes, pink tinged when young. It is a striking, wide-spreading plant suitable for growing in partial shade or a bog garden: quick to establish and spreads rapidly in up to 15cm of water; Flowers: Spr/Sum; Sun/Semi Shade; Moist
<i>Gomphocarpus physocarpus</i>	Perennial; Balloon Plant; 1m h x 0.75m w; Undershrub perennial herb. The flowers are small, with white hoods and about 1 cm across. The follicle is a pale green spheroid, covered with rough hairs. It reaches three inches in diameter. The leaves are light green.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Graptopetalum paraguayense</i>	Succulent; Mexico; 0.25m h x 0.2m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Grevillea baueri</i>	Shrub; NSW; 1m h x 1.5m w; Medium shrub with spreading branches & bluish-grey leaves. Flowers are profuse red & cream.; Flowers: Aut/Win; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Grevillea chrysophaea</i>	Shrub; Golden Grevillea; Gippsland, Brisbane Ranges; 1m h x 1.5m w; Medium shrub, with slightly hairy leaves. Flowers are rusty gold to greenish gold.; Flowers: Winter; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Grevillea thelemanniana</i>	Shrub; Spider-net grevillea; WA; 1.3m h x 2.5m w; Small - Medium spreading shrub with toothbrush like flowers, endemic to WA. The pink or red flowers appear between late autumn and late spring. The species occurs on sandy and sandy-clay soils which are generally wet in the winter.; Flowers: Win/Spr; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Guichenotia ledifolia</i>	Shrub; WA; 0.3m h x 0.7m w; C21. An evergreen shrub with velvety silver spreading branches. Mauve five petalled flowers, winter to spring.; Flowers: Win/Spr; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Guichenotia macrantha</i>	Shrub; South West Australia; 1.5m h x 1.5m w; Evergreen shrub with open graceful growth habit and beautiful clusters of pendulous, papery pink flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained; Drought Tolerant

Genus/Species/Cultiva**Notes**

<i>Haloragis erecta</i> "Wellington Bronze"	Groundcover; NZ; 0.6m h x 0.5m w; Erect, branching perennial, with most attractive, bronzed, thick, pointed, saw-edged leaves which will add colour to the border for most of the year. Insignificant greenish-yellow flowers.; Flower Colour: Yellow; Sun
<i>Hardenbergia comptoniana</i>	Climber; WA Coral Pea; WA; 3m h; Slender twining vine, evergreen, with long racemes of white pea flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Hardenbergia comptoniana</i> "m"	Climber; WA; Climber with trifoliolate leaves and peashaped flowers - mauve to purplish blue.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Hardenbergia violacea</i>	Climber; Flowers: Win/Spr; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Haworthia attenuata</i> v.zebrina	Succulent; Sth Africa; 0.05m h x 0.05m w; Variegated spiky succulent, suitable for small pots.; Sun; Well Drained
<i>Haworthia linafolia</i>	Succulent; 0.2m h x 0.2m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Hebe</i> "Marie Antoinette"	Shrub; NZ; 0.4m h x 0.4m w; Bushy spreading evergreen shrub with deep green leaves with new shoots contrasting dusky pink underneath and small tapering flowers, which are deep crimson in bud in spring then which fade to white in late autumn.; Flowers: Win/Spr; Flower Colour: Pink; Sun
<i>Hebe albicans</i> "Snowdrift"	Shrub; 0.4m h x 0.4m w; Prostrate evergreen shrub with blue-grey foliage and white or palest mauve flower in spikes.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Hebe barkeri</i>	Shrub; NZ; 0.75m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Hebe buxifolia</i>	Shrub; New Zealand; 1m h x 0.8m w; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Hedychium</i> "o"	Perennial; Ginger; 1.5m h x 1m w; Tall rhizomatous ginger plant with orange scented flowers.; Flowers: Sum/Aut; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Hedychium</i> "y"	Perennial; ornamental ginger; 1.5m h x 0.5m w; Tall rhizomatous ginger plant with yellow flowers.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun/Semi Shade; Adaptable
<i>Helianthus x multiflorus</i> "Sheila's Sunshine"	Perennial; Perennial Sunflower; Nth America; 1.8m h x 1m w; Multi-flowered, double sunflower with a profusion of large, double yellow flowers from late summer to fall. Plants spread slowly to form dense clumps.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun; Well Drained
<i>Helichrysum italicum</i>	Perennial; Curry Plant; Mediterranean; 0.4m h x 1m w; Silver foliage. Evergreen bushy sub-shrub with linear aromatic grey leaves and bright yellow flowers.; Flowers: Summer; Flower Colour: Yellow; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Heliotropium arborescens</i>	Perennial; Cherry Pie; Peru; 75m h x 1m w; (syn. <i>H. peruvianum</i>) attractive soft evergreen shrub. Finely wrinkled green leaves. Clusters of sweetly-scented purple to lavender flowers.; Flowers: Summer; Flower Colour: Purple; Sun/Semi Shade; Well Drained; Frost Tender
<i>Helleborus</i> "v"	Fern/Shade; 0.6m h x 0.5m w; Flowers: Win/Spr; Flower Colour: Various
<i>Helleborus argutifolius</i> "corsicus"	Perennial; 0.6m h x 0.8m w; Flowers: Winter; Flower Colour: Green; Shade; Moist

Genus/Species/Cultiva**Notes**

<i>Helleborus foetidus</i>	Fern/Shade; Stinking Hellebore; C & W Europe; 0.8m h x 0.5m w; Evergreen perennial with pendant green open cup-shaped flowers. Dark cut leaves. Useful in shaded areas. Remove flowering stems after flowering.; Flowers: Win/Spr; Flower Colour: Green; Sun/Semi Shade; Well Drained
<i>Helleborus orientalis</i>	Fern/Shade; Greece, Turkey; 0.6m h x 0.6m w; Large nodding flowers in a variety of colours from white, green, pink and rose. It is very frost hardy.; Flowers: Win/Spr; Flower Colour: Various; Semi Shade; Well Drained
<i>Helleborus orientalis "p"</i>	Fern/Shade; 0.6m h x 0.6m w; Flowers: Win/Spr; Flower Colour: Pink; Semi Shade; Well Drained
<i>Hemerocallis "Baldone(?)"</i>	Perennial; Day Lily; Asia; 0.8m h x 0.3m w; Herbaceous perennial plant growing from a fleshy rhizome. Gold flowers with burgundy blotches.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Heuchera x brizoides</i>	Groundcover; Coral bells; N. America, Mexico; 0.6m h x 0.3m w; Hybrid of <i>H. sanguinea</i> . Neat clumps of lobed leaves producing tall slender arching stems with dainty pink bell-like flowers. Good border plant.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Hibbertia billardieri</i>	Shrub; Queensland; 0.2m h x 0.2m w; Flowers: Spr/Sum; Flower Colour: Yellow; Semi Shade; Well Drained
<i>Hibbertia scandens</i>	Climber; NSW, Qld; Fast-growing twiner with bright green leaves and large yellow flowers for most of the year. Pruning will thicken its growth and improve it as a ground cover.; Flower Colour: Yellow; Sun/Semi Shade;
<i>Hibiscus heterophyllus</i>	Shrub; East coast of Qld; 2m h x 1m w; Hardy rounded shrub with variable lobed dark green leaves and yellow flowers.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Hibiscus insularis</i>	Shrub; Phillip Island Hibiscus; Norfolk Island group; 4m h x 1m w; C21. Hardy tall open shrub to 4m. Pale yellow flowers with burgundy tinge, fading to darker burgundy. This plant is very rare in the wild.; Flower Colour:
<i>Hibiscus rosa-sinensis</i>	Shrub; Hawaii Hibiscus; Pacific; 1m h x 1m w; Large short-lived single flowers.; Flowers: All Year; Flower Colour: Apricot; Sun; Well Drained
<i>Hibiscus rosa-sinensis "General Corteges"</i>	Shrub; 1.5m h x 1m w; Evergreen hardy shrub with single red flower.; Flowers: Aut/Win; Flower Colour: Red; Sun; Well Drained
<i>Hibiscus syriacus "Blue Bird"</i>	Shrub; 3m h x 1.5m w; deciduous; Flowers: Aut/Win; Flower Colour: Mauve; Sun; Well Drained
<i>Homalocladium platycladum</i>	Shrub; Centipede Plant; Solomon Islands; 1m h x 1m w; Evergreen shrub with flattened, jointed, green stems and arrow-shaped leaves. This shrub has both spreading and climbing tendencies. Flowers are short-lived and compact.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Hoya australis</i>	Climber; Twining & rooting climber with waxy pink & white flowers. Leaves are thick, fleshy & shiny.; Flowers: All Year; Flower Colour: Pink; Shade/Semi Shade; Adaptable
<i>Hyacinthoides hispanica</i>	Bulb/Corm; Bluebell; 0.4m h x 0.2m w; syn <i>Scilla hispanica</i> . Single erect stem of bluebell type flowers.; Flowers: Spring; Flower Colour: Blue; Shade/Semi Shade; Moist
<i>Hydrangea quercifolia</i>	Shrub; Oakleaf Hydrangea; Asia; 1.5m h x 1.5m w; Rounded deciduous shrub. Double flowers green turning white. Leaves turning red-bronze in winter.; Flowers: Summer; Flower Colour: White; Semi Shade; Moist
<i>Hylocereus undatus</i>	Succulent; dragon fruit; Mexico; 6m h x 7m w; Flowers: Sum/Aut; Flower Colour: Orange; Sun; Moist
<i>Ilex kusanoi</i>	Shrub; Taiwan; Flowers: Spring; Flower Colour: White

Genus/Species/Cultiva

Notes

<i>Impatiens niamniamensis</i> "parrot,'s beak"	Shrub; Tropical Africa; 1m h x 1m w; flowers are red and yellow.; Flowers: Summer; Flower Colour: Bicolour; Sun/Semi Shade; Well Drained
<i>Imperata cylindrica</i>	Grass; Blady Grass; 0.6m h x 0.2m w; C21 garden.Long-lived (perennial) rhizomatous grass. It has an erect habit, and fluffy white inflorescence. The leaves narrow to a sharp point at the top; the margins are finely toothed and are embedded with sharp silica crystals.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Indigofera australis</i>	Shrub; Austral Indigo; Southern states, Geelong; 2m h x 2m w; C21. Open spreading or erect plant with sprays of purple (rarely white) pea flowers in spring. Hardy and well-shaped. Prune to encourage compact growth, but do not cut into old wood.; Flowers: Spring; Flower Colour: Purple; Semi Shade; Well Drained
<i>lochroma "b"</i>	Shrub; C & S America; 3m h x 1.5m w; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Frost Tender
<i>lochroma cyaneum</i>	Shrub; South America; 3m h x 1.5m w; Large shrub or tree. Flowers are long and tubular.; Flowers: Sum/Aut; Flower Colour: Purple; Sun; Well Drained
<i>Iris "b&w"</i>	Bulb/Corm; 0.8m h x 0.3m w; Hardy perennial with blue & white flag flowers.; Flowers: Win/Spr; Flower Colour: Blue; Sun/Semi Shade;
<i>Iris "pu"</i>	Bulb/Corm; 0.75m h x 0.3m w; Deep purple flag iris - hardy perennial.; Flowers: Win/Spr; Flower Colour: Purple; Sun
<i>Iris chrysographes</i>	Bulb/Corm; China; 0.5m h x 0.5m w; Flowers are fragrant and sometimes streaked with gold.; Flowers: Spr/Sum; Flower Colour: Purple; Sun; Well
<i>Iris japonica</i>	Bulb/Corm; 0.45m h x 0.8m w; Flowers: Win/Spr; Flower Colour: Mauve; Semi Shade; Well Drained
<i>Iris unguicularis</i>	Bulb/Corm; Winter Iris; N. Africa; 0.3m h x 0.5m w; Evergreen beardless iris with flowers almost hidden in clumps of grassy leaves.; Flowers: Spr/Sum; Flower Colour: Blue; Sun; Adaptable
<i>Isatis tinctoria</i>	Herb; europe; 1.2m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Isopogon formosus</i>	Shrub; Rose cone flower; WA; 1.5m h x 1.5m w; Medium rounded shrub which bears large heads of pink flowers, followed by globular cones. Very beautiful, but unreliable in eastern state gardens. May do better in a pot.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Ixodia achillaeoides</i>	Shrub; Mountain Daisy; South Australia; 1m h x 1m w; C21 Garden. Small perennial shrub, suitable for use as a rockery plant, background shrub or container plant.The flower heads occur in small to large clusters at the ends of the stems.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Jacaranda mimosifolia</i>	Tree; Jacaranda; Brazil; 10m h x 5m w; Fast growing deciduous tree with panicles of flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained; Frost Tender
<i>Jasminum mesnyi</i>	Climber; Primrose Jasmine; S.W. China; 2m h x 1m w; Rambling, open evergreen shrub with long, slender, arching stems that will climb like a sprawling vine if given support. Fast growing, easy to cultivate and tolerates any soils except those that are constantly wet.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Adaptable
<i>Jubaea chilensis</i> "Chilean Wine Palm"	Tree; Chile; 20m h x 8m w; Long stalked maroon and yellow flowers hidden within leaves. Sugary sap is made into wine. Small yellow egg-shaped edible fruit called couito in Autumn. Slow growing.; Flowers: Spring; Flower Colour: Bicolour; Sun; Adaptable

Genus/Species/Cultiva**Notes**

<i>Justicia adhatoda</i>	Shrub; Malabar Nut; India, Nepal; 3m h x 1m w; Tall shrub with lance-shaped leaves and white flowers speckled at the throat with mauve in late winter - early spring. Plant is used medicinally: as a respiratory stimulant with a cardiac-depressant effect.; Flowers: Win/Spr; Flower Colour: White; Shade/Semi Shade; Adaptable
<i>Justicia brandegeana</i>	Shrub; Shrimp Plant; Mexico; 1m h x 1m w; Evergreen downy shrub. Flowers with pendant spikes. Overlapping bracts of yellow orange and brown similar to a shrimp.; Flowers: Summer; Flower Colour: Brown; Sun; Adaptable
<i>Justicia rizzinii</i>	Shrub; Brazil; 0.6m h x 0.6m w; syn <i>Jacibinea pauciflora</i> . Hardy small rounded shrub with yellow-tipped scarlet flowers in nodding clusters.; Flowers: Winter; Flower Colour: Red; Sun/Semi Shade; Adaptable
<i>Kalanchoe blossfeldiana</i>	Perennial; Africa; 0.4m h x 0.4m w; Deep pink flowers. Small perennial succulent suitable for indoors or window boxes.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Adaptable
<i>Kalanchoe hildebrandtii</i> "silver teaspoons"	Shrub; Madagascar; 1m h x 1m w; Flowers: Summer; Flower Colour: Red; Sun/Semi Shade; Well Drained; Frost Tender
<i>Kennedia rubricunda</i>	Climber; East coast; 4m h x 2.5m w; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Kerria japonica</i>	Shrub; Japanese Rose; China, Japan; 2m h x 2m w; Graceful deciduous shrub with golden flowers.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Kniphofia</i> "o"	Grass; Hot Poker; 1m h x 0.5m w; Feature plant with tall bright orange spikes. Their stems stand high above their grassy foliage, up to 1.5m high.; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade; Adaptable
<i>Kniphofia</i> . "y"	Bulb/Corm; Hot Poker; Africa; 1.5m h x 0.5m w; Feature plant with tall bright yellow spikes. Their stems stand high above their grassy foliage, up to 1.5m high.; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained
<i>Kunzea pomifera</i>	Groundcover; Muntries; S.E.Australia; 0.2m h x 1.5m w; Prostrate, woody shrub with small, shiny, round leaves and fluffy, white flowers that are carried on the ends of short branches. Flowers are followed by small, succulent, edible fruits; Flowers: Spring; Flower Colour: White; Sun/Semi Shade;
<i>Lamium maculatum</i> "pink pewter"	Groundcover; 0.25m h x 0.75m w; Flowers: Win/Spr; Flower Colour: Pink; Semi Shade; Moist
<i>Laurus nobilis</i>	Tree; Bay Tree; Mediterranean; 12m h x 9m w; Culinary herb. A slow growing evergreen tall shrub that if left untrimmed will eventually grow into a medium sized tree. Dark green aromatic foliage & tolerant of tough conditions once established.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun/Semi Shade; Adaptable
<i>Lavandula</i> "Avonview"	Shrub; 0.8m h x 0.6m w; Hybrid of French & Italian lavender. Compact silver plant.; Flowers: Aut/Win; Flower Colour: Purple; Sun; Well Drained
<i>Lavandula</i> "Sidonie"	Shrub; Australian Lavender; 1m h x 1m w; Soft mound like shrub with grey foliage and rich blue flowers. Hybrid produced in Australian garden. GBG Silver Border.; Flowers: All Year; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant; Frost Tender
<i>Lavandula dentata</i>	Shrub; French lavender; Mediterranean; 1m h x 1m w; Silver foliage. Shrub with grey-green aromatic leaves and mauve-blue flowers.; Flowers: All Year; Flower Colour: Mauve; Sun; Adaptable; Drought Tolerant
<i>Lavandula pinnata</i>	Shrub; 0.9m h x 0.9m w; Flowers: Spr/Sum; Flower Colour: Purple; Sun; Well Drained
<i>Lavatera x clementii</i> "Bredon Springs"	Shrub; Tree Lavatera; 1.8m h x 1.8m w; Vigorous upright plant with deep pink flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Leptospermum petersonii</i>	Shrub; Lemon Scent Tea Tree; Qld, NSW; 4m h x 3m w; Large rounded shrub with white flowers and strongly lemon-scented leaves. Good screen plant.; Flowers: Spr/Sum; Flower Colour: White; Well Drained; Frost Tender
<i>Leucanthemum x superbum</i>	Perennial; Shasta Daisy; Nth America; 0.8m h x 0.5m w; White flowers with yellow centres. Syn. chrysanthemum x superbum.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Levisticum officinalis</i>	Herb; Lovage; 1.8m h x 1.4m w; Flowers: Summer; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Libertia peregrinans</i>	Grass; NZ; 0.6m h x 0.2m w; C21. Perennial producing tufts of narrow leaves which turn a brilliant orange - brown shade in Autumn and Winter. White, iris - looking flowers are borne amongst shorter flowering stems which are an attractive bronze-green colour.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Ligustrum tschonoskii</i>	Shrub; Privet; Japan; 2.5m h x 1m w; Deciduous shrub with dark-green, lanceolate leaves and panicles of white fragrant flowers. Suited for hedges and for shrub borders. Toxic plant; Flowers: Summer; Flower Colour: White; Sun/Semi Shade
<i>Loropetalum chinense "rubrum"</i>	Shrub; Chinese Fringe Flower; Asia; 2m h x 1.5m w; Evergreen bushy shrub with fragrant, spider-like flowers borne in cymes in late winter or early spring. The oval leaves are burgundy colored.; Flowers: Spring; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Lychnis coronaria</i>	Perennial; South East Europe; 0.6m h x 0.7m w; Flowers: Summer; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Mackaya bella</i>	Shrub; Forest Bell; Sth Africa; 2.5m h x 2m w; Erect evergreen shrub with dark green leaves and attractive mauve to white flowers usually marked with fine purple-pink lines.; Flowers: Summer; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Maireana oppositifolia</i>	Groundcover; Heathy blue bush; 0.4m h x 0.2m w; Dwarf shrub with solitary flowers. The fruiting perianth is greenish cream to pale pink with five unequal petal like wings, Silvery succulent foliage.; Flowers: Spr/Sum; Flower Colour: Cream; Sun; Well Drained; Drought Tolerant
<i>Malvaviscus arboreus</i>	Shrub; Wax Mallow; Central America; 3m h x 2m w; syn M. grandiflorus. Large rounded evergreen shrub with red bud-like flowers. Federation garden plant.; Flowers: Aut/Win; Flower Colour: Red; Sun/Semi Shade; Moist
<i>Melaleuca decussata</i>	Shrub; Vic., S.A.; 2m h x 1m w; Many branched erect shrub with small leaves and pink-mauve bottlebrush flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Melaleuca howeana</i>	Shrub; Lord Howe Tea Tree; Lord Howe Island; 3m h x 1m w; Dense bush with flaky bark; branchlets glabrous. This plant is best known as the habitat for the Lord Howe Island Stick Insect, a critically endangered species.; Flowers: Spring; Flower Colour: White; Sun; Well Drained
<i>Melanoselinun decipiens</i>	Perennial; Tree Angelica; 1.5m h x 1m w; This large-leafed, tropical looking plant has leaves that can reach 90cm long and has the appearance of an upside down umbrella.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Moist
<i>Melissa officinalis</i>	Herb; Lemon balm; Europe; 0.6m h x 0.6m w; Lemon scented and flavoured leaves. Dies down in winter and shoots again in spring. Can be used in cooking and drinks. Frost hardy.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Mentha australis</i>	Herb; Native mint; Vic., NSW; 0.4m h x 0.75m w; C21. Straggly, perennial herb with soft, aromatic leaves from 25 - 60 mm long, lance shaped and tapering to a point. Small white to lilac flowers during summer and autumn. Indigenous to Geelong area.; Flowers: Sum/Aut; Flower Colour: White; Shade/Semi Shade; Moist
<i>Mentha piperita "peppermint"</i>	Herb; peppermint; 0.2m h x 0.5m w; Sun/Semi Shade; Well Drained
<i>Mentha sp</i>	Herb; common mint; Europe; 0.2m h x 1m w; Hardy perennial used in cooking. Spreads by root system and can be invasive.; Flowers: Spring; Flower Colour: Mauve; Moist
<i>Meryta sinclairii</i>	Tree; Puka or Pukanui; NZ; 5m h x 4m w; Large-leaved evergreen tree endemic to New Zealand with a distinctly tropical appearance. The tree panicles of green-white flowers followed by black berries; Flowers: Spring; Flower Colour: White; Semi Shade; Adaptable
<i>Metrosideros collina</i>	Shrub; Pacific Islands; 3m h x 2m w; Flowers: Summer; Flower Colour: Red; Semi Shade; Moist
<i>Metrosideros puladosa</i>	Shrub; New Zealand; 1m h x 1m w
<i>Michelia compressa</i>	Tree; Asia; 5m h x 3m w; Bushy tree with narrow , glossy leaves, sometimes grown as a shrub. Small white scented ,tulip shaped flowers with a rich purple base.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade;
<i>Michelia figo</i>	Shrub; Port Wine Magnolia; Asia; 3.5m h x 2m w; Densely branched evergreen shrub with fragrant white flowers streaked with purple.; Flowers: Spring; Flower Colour: White; Sun; Well Drained
<i>Miscanthus sinensis</i>	Grass; 0.6m h x 0.5m w; A neat non invasive upright to slightly arching clump of spidery green leaves with a silver midrib and large plumes of silvery-pink flowers.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi
<i>Miscanthus sinensis "Flamingo"</i>	Grass; Asia; 1m h x 0.75m w; A neat non invasive upright to slightly arching clump of spidery green leaves with a silver midrib and large plumes of silvery-pink flowers.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Miscanthus sinensis "Gracillimus"</i>	Grass; Eulalia Grass; 1.7m h x 1.5m w; Fine ornamental grass with a white midrib & a vase- like form. It shows bronze autumn color.; Flowers: Summer; Sun/Semi Shade; Adaptable
<i>Miscanthus sinensis "Variegatus"</i>	Grass; Asia; 0.6m h x 0.5m w; Ornamental clumping grass. Foliage is variegated, almost equal amount of green and white; blade width is 1.5 cm.; Flowers: Sum/Aut; Sun; Adaptable
<i>Miscanthus sinensis "Yaku Jima"</i>	Grass; Dwarf Miscanthus; 1m h x 0.6m w; Fine ornamental grass, with copper plumes maturing to silver.; Flowers: Autumn; Flower Colour: Brown; Sun/Semi Shade; Well Drained
<i>Miscanthus sinensis "Zebrinus"</i>	Grass; Zebra grass; Asia; 1m h x 0.6m w; Flowers are a pinkish copper, rise above foliage, and become fluffy. Variegated leaves with bright irregular bands of yellow . GBG silver border.; Flowers: Autumn; Flower Colour: Pink; Sun/Semi Shade; Moist
<i>Miscanthus sinensis giganteus</i>	Grass; 1m h x 0.6m w; Fine ornamental grass with silver sheen.; Flowers: Autumn; Flower Colour: Brown; Sun/Semi Shade; Well Drained
<i>Muehlenbeckia complexa</i>	Shrub; mad hatters T party; New Zealand; 4.5m h; Flowers are white green forming white berries; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Muehlenbeckia florulenta</i>	Shrub; Tangled Lignum; All mainland states; 2m h x 1m w; Shrub with multitude of thin, intertwined and tangled branches and thin, narrow leaves. The grey-green stems often end in a sharp point. The flowers are small and cream to yellowish. Wetland species.; Flowers: Spr/Sum; Flower Colour: Cream; Sun/Semi Shade; Moist

Genus/Species/Cultiva**Notes**

<i>Myoporum parvifolium</i>	Groundcover; Vic., S.A., W.A., Tas.; 0.2m h x 2m w; Prostrate plant with trailing stems. Some varieties have reddish stems. Oblong leaves to 2cm and white star-shaped flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Myoporum parvifolium "Purpurea"</i>	Groundcover; 0.15m h x 2m w; Purple foliage; Flowers: Summer; Flower Colour: Pink; Any; Adaptable
<i>Nematolepis phebalioides</i>	Shrub; WA; 2m h x 0.6m w; Low spreading shrub with tubular flowers similar to a correa, red with yellow tips.; Flowers: Spring; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Nepeta x faassenii</i>	Groundcover; Catmint; 0.45m h x 0.45m w; Hardy silver-grey leafed perennial herb with blue/mauve flowers.; Flowers: Spr/Sum; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant
<i>Nicotiana alata</i>	Perennial; America; 0.7m h x 0.3m w; Short-lived rosette perennial with attractive tubular lime green flowers. Fragrant flowers open in the evening.; Flowers: Sum/Aut; Flower Colour: Green; Sun/Semi Shade; Well Drained
<i>Nicotiana knightiana</i>	Annual; 1.5m h x 0.5m w; Erect and branching stems. Masses of fine tubular lime green flowers.; Flowers: Summer; Flower Colour: Green; Sun; Well
<i>Nicotiana sylvestris</i>	Perennial; Flowering Tobacco; South America; 1.5m h x 1m w; Fragrant flowers on stately stems above lush green foliage. The scent is strongest at night. The flowers are tubular, white, borne in clusters above the foliage.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Odontonema tubaeforme</i>	Shrub; Firespike Plant; 1.2m h x 2m w; Large shrub, useful as a filler. Leaves are large and flowers appear early winter.; Flowers: Win/Spr; Flower Colour: Red; Sun/Semi Shade; Adaptable
<i>Olearia algida</i>	Shrub; 1m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Olearia astroloba</i>	Shrub; Marble Daisy bush; East Gippsland, Victoria; 1m h x 1m w; C21. Profuse clusters of blue flowers, Winter-Summer. A very rare species recently described (1989). Prefers sun or semi-shade, good drainage and is tolerant of very heavy frosts; Silvery grey foliage.; Flowers: Win/Spr; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Olearia axillaris</i>	Shrub; Coast Daisy Bush; WA; 2.5m h x 2m w; Tough, erect, branched shrub with silvery white foliage and flowers from white to yellow.; Flowers: Sum/Aut; Flower Colour: Cream; Sun/Semi Shade; Well Drained; Drought
<i>Olearia minor</i>	Shrub; Satin Daisy Bush; Vic., NSW, WA, SA; 1.5m h x 2m w; Large shrub with greyish leaves, woolly underneath. White, daisy-like flowers are 1-2cm wide.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Olearia ramulosa</i>	Shrub; Twiggy daisy bush; Qld, Vic., NSW, SA, Tas.; 1.5m h x 1m w; C21. Variable shrub with white or blue daisy flowers. Very hardy.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought
<i>Olearia tomentosa</i>	Shrub; Toothed daisy bush; NSW; 2m h x 1.5m w; Small to medium shrub with hairy young growth and large shiny leaves, hairy underneath. Flowers are white to blue with yellow centres.; Flowers: All Year; Flower Colour: Blue; Sun; Well Drained
<i>Ophiopogon japonicus</i>	Grass; Mondo Grass; 0.3m h x 0.3m w; An evergreen, clump forming, spreading perennial with dark green strap-like foliage. Produces small spikes of bell shaped flowers that are pale purple to white in colour, followed by small fleshy dark blue fruit.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Origanum vulgare</i>	Herb; Oregano; Mediterranean; 0.2m h x 0.5m w; Semi-woody sub-shrub with upright or spreading stems and branches. Some varieties grow in moundlike mats, spreading by underground stems (called rhizomes), and others with a more upright habit. Used in cooking. Has a strong scent.; Flowers: Sum/Aut; Flower Colour: Mauve; Sun/Semi Shade; Moist
<i>Ornithogalum arabicum</i>	Bulb/Corm; arabs eye; Mediterranean; 0.8m h x 0.4m w; Large fragrant white flowers with a black eye.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Osteospermum fruticosum</i>	Groundcover; African Daisy; South Africa; 0.3m h x 1m w; Perennial with prostrate trailing stems that spread to cover large areas. Some flowers year round.; Flowers: Winter; Flower Colour: White; Sun; Well Drained
<i>Oxylobium lanceolatum</i>	Shrub; WA; 2m h x 1m w; Fast-growing shrub with orange-yellow flowers. Now reclassified as <i>Callistachys lanceolata</i> .; Flowers: Spr/Sum; Flower Colour: Orange; Sun; Well Drained
<i>Pachyphytum oviferum</i>	Succulent; 0.1m h x 0.3m w; Flowers: Summer; Flower Colour: Orange; Sun; Well Drained
<i>Pachystegia insignis</i>	Shrub; Marlborough Rock Daisy; NZ; 0.3m h x 1.5m w; White flower heads with golden yellow central florets. Leaves are glossy green with white felting below, giving a silver appearance.; Flower Colour: White; Sun; Dry
<i>Pandorea doratoxylon</i>	Climber; spear bush; Central Australia; Also known as Western Wonga vine; Flowers: Spr/Sum; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Paulownia tomentosa</i>	Tree; Sapphire Dragon; China; 12m h x 6m w; Also known as Empress Tree - Sapphire Dragon - Princess Tree - Powton is a fast growing deciduous tree with large leaves and showy flowers in spring. Great as a fast growing landscape feature tree.; Flowers: Spring; Flower Colour: Mauve; Sun; Well
<i>Pelargonium "A Happy Thought"</i>	Pelargonium; 0.4m h x 0.4m w; Showy tender perennial with rounded clusters of bright-red flowers above very attractive, dark-green and cream variegated leaves.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi
<i>Pelargonium "Adams Quilt"</i>	Pelargonium; 0.6m h x 0.45m w; Lime green leaves with bronze margin; Flower Colour: Pink; Sun; Well Drained
<i>Pelargonium "All my Love"</i>	Pelargonium; 0.5m h x 0.5m w; Regal. Ruffle blooms, upper petals crimson margined with lower petals white with pale orchid flush.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Amargo"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Anemone"</i>	Pelargonium; 0.5m h x 0.5m w; Regal. - deep purple; Flowers: Summer; Flower Colour: Purple; Sun/Semi Shade; Adaptable
<i>Pelargonium "Apple Blossom Rosebud"</i>	Pelargonium; S Africa; 0.6m h x 0.5m w; A rosebud zonal pelargonium with white flowers with a pink flush with bright green foliage and little zonation.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Ariah Park"</i>	Pelargonium; 0.5m h x 0.5m w; Dark orange. Lighter throat. Edges burnt raspberry.; Flowers: All Year; Flower Colour: Orange; Sun/Semi Shade; Adaptable
<i>Pelargonium "Ashkam Fringed Aztec"</i>	Pelargonium; 0.5m h x 0.5m w; Regal with white picotee edged petals with fine purple feathering.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium "Babylon"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Petals are dark red, large white throat, orange ring.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "barbara murray"</i>	Pelargonium; 0.5m h x 0.5m w; flowers are coral with white markings; Flowers: Spr/Sum; Flower Colour: Coral; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Pelargonium "Bel Brown Eyes"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are two-tone burgundy & pink.; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Bel Heavey White Wine"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are white with small splashes of burgundy.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium "Bettsie Girl"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: All Year; Flower Colour: Red; Sun/Semi Shade; Adaptable
<i>Pelargonium "birthday"</i>	Pelargonium; 0.5m h x 0.5m w; Flower is soft pink with deeper pink edge; Flowers: Autumn; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Black Eyes"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers are ruffled white with dark blotches on the upper petals.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium "Black Lace"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium with dark maroon flowers, lacy edged.; Flowers: Spr/Sum; Flower Colour: Burgundy; Sun/Semi Shade; Well Drained
<i>Pelargonium "Black Magic"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are dark burgundy with lighter patches.; Flowers: Spr/Sum; Flower Colour: Burgundy; Sun/Semi Shade; Adaptable
<i>Pelargonium "Blakesdorf"</i>	Pelargonium; P. x hortorum cultivar. Dark foliage, red flowers; Flowers: All Year; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Pelargonium "Bodey's Picotee"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are dark wine-red edged with white.; Flowers: All Year; Flower Colour: Burgundy; Sun/Semi Shade; Adaptable
<i>Pelargonium "Bomba"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers have a deep red centre; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Bushfire"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are vivid glowing red with black blotches.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Camphor Rose"</i>	Pelargonium; 0.75m h x 0.6m w; Tall, upright plant, ideal for ornamental pots. It has rosy pink flowers and grey-green leaves.; Flower Colour: Pink; Sun; Well Drained
<i>Pelargonium "Captain Starlight"</i>	Pelargonium; 0.25m h x 0.25m w; Angel pelargonium with small flowers & leaves. Flowers are deep violet & white, fading to pinky mauve.; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Pelargonium "Cardinal"</i>	Pelargonium; 0.4m h x 0.4m w; Cerise flowers.; Flowers: Spr/Sum; Flower Colour: Magenta; Sun/Semi Shade; Well Drained
<i>Pelargonium "Carisbrooke"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium, with clusters of light pink flowers, blotched and feathered with deep purple on the upper petals.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Carol Ann"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium "Cedar Woods"</i>	Pelargonium; 0.5m h x 1m w; Flowers: Summer; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium "Celestial Star"</i>	Pelargonium; 0.5m h x 0.5m w; Pure white flowers with stubby compact pointed petals; Flowers: All Year; Flower Colour: White; Sun/Semi Shade;
<i>Pelargonium "Charm"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are frilly pink-red with a white throat.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Pelargonium "Charmay Alf"</i>	Pelargonium; 0.5m h x 0.5m w; Angel pelargonium. Flowers are pink, large burgundy splotch on upper petals, smaller spot on lower ones. Deep feathering. Large plant.; Flowers: Spr/Sum; Flower Colour: Pink; Shade/Semi Shade; Well Drained
<i>Pelargonium "Chiquita"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Large bold flowers of glowing pink, with a salmon orange flush and a large white eye.; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Pelargonium "Clorinda"</i>	Pelargonium; Cedar Scented Geranium; 0.4m h x 0.4m w; Large rose-pink flowers and cedar scented leaves; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Congo"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Pelargonium "Conspicuous"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are bright red with long black blotches. White flowered version?; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Coral Star"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Flower Colour: Coral; Sun/Semi Shade; Well Drained
<i>Pelargonium "Corio Heather"</i>	Pelargonium; 0.5m h x 0.5m w; Regal. Ruffled wine red. One of the best of the deep red with a black flush to lower petals. One of the earliest and longest flowering of the regals. Stands the heat very well.; Flowers: All Year; Flower Colour: Magenta; Sun/Semi Shade; Adaptable
<i>Pelargonium "Corio Zac"</i>	Pelargonium; 0.4m h x 0.4m w; Regal. Pink flowers with patches of dark red.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Crocodile"</i>	Pelargonium; 0.4m h x 0.4m w; Ivy leaf geranium with single pink flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Crystal Palace Gem"</i>	Pelargonium; 0.4m h x 0.4m w; Fancy-leaf geranium. The yellowish green leaves have an irregular center splotch of dark green. The flowers are reddish orange to salmon red.; Flowers: All Year; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Deacon Barbecue"</i>	Pelargonium; 0.4m h x 0.4m w; Zonal pelargonium with double shaded cerise-pink/coral flowers.; Flowers: All Year; Flower Colour: Coral; Sun/Semi Shade; Adaptable
<i>Pelargonium "Debra Fields"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Denis"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are bright pink with burgundy splotches on upper petals.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Distinction"</i>	Pelargonium; 0.4m h x 0.2m w; P. x hortorum cultivar. 'Distinction' is a bushy zonal pelargonium producing scalloped green leaves, each with a narrow black zone near the leaf margin. Produces small clusters of single red flowers.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well
<i>Pelargonium "Doris Hancock"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers are ruffled rose-lavender with slight maroon veining.; Flowers: All Year; Flower Colour: Mauve; Sun/Semi Shade; Adaptable
<i>Pelargonium "Dresden Pink"</i>	Pelargonium; Narrow petaled flowers, soft pink. Dark green leaves.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Dubonnett"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are dark salmon pink with burgundy centres.; Flower Colour: Pink; Sun/Semi Shade;
<i>Pelargonium "Echo"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Pelargonium "Edwards Candy"</i>	Pelargonium; 0.5m h x 0.5m w; Hot pink flower; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Edwards Green Ice"</i>	Pelargonium; 0.5m h x 0.5m w; White flowers with green tint.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Pelargonium "Edwards Integra"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are deep red and very wavy; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Edwards Lili"</i>	Pelargonium; 0.3m h x 0.3m w; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Edwards Patricia"</i>	Pelargonium; 0.4m h x 0.4m w; Bright cerise pink flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "el gato"</i>	Pelargonium; 0.2m h x 1m w; flowers are deep red with deeply notched petals; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well
<i>Pelargonium "Elaine Knight"</i>	Pelargonium; 0.4m h x 0.4m w; Zonal pelargonium: pale purple, light green leaf;; Flowers: All Year; Flower Colour: Mauve; Sun/Semi Shade; Well
<i>Pelargonium "Estelle"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are lilac, with a white eye & dark blotches on the upper petals.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium "Fairy Fantasy"</i>	Pelargonium; 0.5m h x 0.5m w; Zonal pelargonium with delightful apricot and cream flowers, dark leaves.; Flowers: All Year; Flower Colour: Apricot; Sun/Semi Shade; Well Drained
<i>Pelargonium "Fairy Phlox"</i>	Pelargonium; 0.5m h x 0.5m w; Zonal stellar pelargonium with single flowers, white with dusky rose lengthwise veining that is heavier on upper petals. Very eye-catching!; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Fanta"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium: orange to very pale apricot, wavy.; Flowers: All Year; Flower Colour: Orange; Sun/Semi Shade;
<i>Pelargonium "Festiva Maxima"</i>	Pelargonium; 0.5m h x 0.5m w; Zonal pelargonium with rich double purple magenta flowers.; Flowers: All Year; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Pelargonium "fiat queen"</i>	Pelargonium; 0.5m h x 0.5m w; flowers are ruby red with orange; Flowers: Spr/Sum; Flower Colour: Red; Sun; Well Drained
<i>Pelargonium "Flame of Youth"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are frilly deep red, with brown feathering.; Flowers: All Year; Flower Colour: Red; Sun/Semi Shade; Adaptable
<i>Pelargonium "frutetorum"</i>	Pelargonium; 0.3m h x 1m w; Flowers: Spr/Sum; Flower Colour: Apricot; Sun/Semi Shade; Well Drained
<i>Pelargonium "Geelong"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium; Flower Colour: Mauve; Sun/Semi Shade; Adaptable
<i>Pelargonium "Glowing Embers"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are orange with a violet centre.; Flowers: All Year; Flower Colour: Orange; Sun/Semi Shade; Adaptable
<i>Pelargonium "Gordon McGregor"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are bright coral pink to orange.; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Pelargonium "Grace Brooks"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Happy Valley"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are ruffled pink with burgundy on the top petals.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Pelargonium "Harlequin Pretty"</i>	Pelargonium; 0.5m h x 0.5m w; Hybrid ivy geranium with semi-double orange and white flowers. Very pretty.; Flowers: All Year; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Pelargonium "Henry Sewell"</i>	Pelargonium; 0.5m h x 0.5m w; Upper petals crimson, feathered violet, with a dark splotch in the centre, lower petals crimson, edged with white.; Flowers: All Year; Flower Colour: Magenta; Sun/Semi Shade; Adaptable
<i>Pelargonium "Hot Coral"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Flower Colour: Coral; Sun/Semi Shade; Well Drained
<i>Pelargonium "Hot Pink"</i>	Pelargonium; 0.5m h x 0.5m w; pinkstellata flower with deeply notched leaf.
<i>Pelargonium "Jacobs Unique"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are bright pink.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Jean O'Brien"</i>	Pelargonium; 0.4m h x 0.4m w; Rosebud flower, coral & white; Flowers: All Year; Flower Colour: Coral; Sun/Semi Shade; Adaptable
<i>Pelargonium "Jemima"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are white to pale pink, with darker pink patches.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Pelargonium "Jillian"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are white to pale pink, with small darker pink patches.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium "Johan's Colin"</i>	Pelargonium; 0.4m h x 0.4m w; Deep cerise flower, veined leaf.; Flowers: Spr/Sum; Flower Colour: Magenta; Sun/Semi Shade; Adaptable
<i>Pelargonium "Katherine"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are bright pink with white edges and splashes of dark burgundy.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Kincaid"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are crimson to light burgundy.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Kleiner Liebling (variegated)"</i>	Pelargonium; 0.3m h x 0.3m w; Single, small bright pink flowers & variegated zonal leaves.; Flower Colour: Pink; Well Drained
<i>Pelargonium "La Jolla"</i>	Pelargonium; 0.4m h x 0.4m w; Soft reddish pink, base of upper petals deep salmon red. Very attractive colour. Zoned Irene type leaf, cupped buds opening flat.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Well
<i>Pelargonium "Lady Illchester"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers are frilly lilac colour.; Flowers: All Year; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lady Sara Wilson"</i>	Pelargonium; 0.4m h x 0.4m w; Dwarf pelargonium: white flowers are speckled with pink.; Flowers: All Year; Flower Colour: Apricot; Sun/Semi Shade; Adaptable
<i>Pelargonium "lara 00008"</i>	Pelargonium; 0.5m h x 0.5m w; flowers are small with burgundy markings.; Flowers: Aut/Win; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara 09012"</i>	Pelargonium; 0.6m h x 0.6m w; flowers are cream with pink.; Flowers: Spr/Sum; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara 200047"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara 98001"</i>	Pelargonium; 0.3m h x 1m w; Flowers: Spr/Sum; Sun/Semi Shade; Well
<i>Pelargonium "Lara Aladdin"</i>	Pelargonium; 0.5m h x 0.5m w; Regal with small white flowers.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium "Lara Alpha"</i>	Pelargonium; 0.3m h x 0.3m w; Zonal pelargonium. Gold leaf with jagged edge, red-brown zone. Single red flowers. Trails, nice in a basket.; Flowers: All Year; Flower Colour: Red; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Pelargonium "Lara Audrey"</i>	Pelargonium; 0.6m h x 0.6m w; Flower Colour: Coral; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara Beacon"</i>	Pelargonium; South Africa; 0.5m h x 0.3m w; Striking small scarlet flowers with black markings on upper petals, and silver downy frilled foliage. Species hybrid form P x fulgidum.; Flowers: Aut/Win; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara Camelot"</i>	Pelargonium; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara Delight"</i>	Pelargonium; 0.4m h x 0.4m w; Dark pink flowers, with beautiful rosebud buds, opening to magenta purple.; Flowers: Spr/Sum; Flower Colour: Magenta; Sun/Semi Shade; Adaptable
<i>Pelargonium "Lara Delta"</i>	Pelargonium; 0.4m h x 0.4m w; Large orchid pink flower heads; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Lara Envoy"</i>	Pelargonium; 0.4m h x 0.4m w; Pink/apricot flowers.; Flowers: All Year; Flower Colour: Apricot; Sun/Semi Shade; Adaptable
<i>Pelargonium "Lara Ethan"</i>	Pelargonium; 0.4m h x 0.4m w; Vibrant pink flowers, with cream buds.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Lara Joan"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are soft pink with burgundy centre; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara Kathleen"</i>	Pelargonium; 0.6m h x 0.6m w; flower is cream with pink smudge; Flowers: Spr/Sum; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara Kiralee"</i>	Pelargonium; 0.3m h x 1m w; Flowers: Spr/Sum; Sun/Semi Shade; Well
<i>Pelargonium "Lara Lorna"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Lara Mandarin"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are strong pink and apricot. Cliff Blackman hybrid.; Flowers: Spr/Sum; Flower Colour: Apricot; Sun/Semi Shade; Adaptable
<i>Pelargonium "Lara Matilda"</i>	Pelargonium; 0.6m h x 0.6m w; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara Meisha"</i>	Pelargonium; 0.6m h x 0.6m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara Nomad"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara Nymph"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are white & pale orange (apricot).; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lara Oracle"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are purple and cream.; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Well Drained

<i>Pelargonium "Santa Paula"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: All Year; Sun/Semi Shade;
<i>Pelargonium "Sassy"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: All Year; Sun/Semi Shade; Well Drained
<i>Pelargonium "Scarlet Pet"</i>	Pelargonium; 0.5m h x 0.5m w; Bushy sprawling plant with small showy red flowers in clusters.; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Pelargonium "Shrubland Pet"</i>	Pelargonium; 0.5m h x 1m w; Rose scented with rose pink flowers. Groundcover.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Pelargonium "Sleeping Beauty"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Pelargonium "Snow Bank"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium.; Sun/Semi Shade; Adaptable
<i>Pelargonium "Something Special"</i>	Pelargonium; 0.4m h x 0.4m w; Zonal pelargonium with large heads of pink flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade;
<i>Pelargonium "Southern Saga"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Sun/Semi Shade; Well Drained
<i>Pelargonium "Strawberry"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: All Year; Flower Colour: Pink
<i>Pelargonium "Sweet Memories"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Tangerine Elf"</i>	Pelargonium; 0.3m h x 0.3m w; Single flower. Lower petals are deep coral, upper petals white, tipped salmon; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Pelargonium "Ted Both's Memory"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flower is light red, with lavender throat and petal edge.; Flowers: All Year; Flower Colour: Red; Sun/Semi Shade; Adaptable
<i>Pelargonium "Tiamo"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Apricot; Sun/Semi Shade; Well Drained
<i>Pelargonium "Triandrum"</i>	Pelargonium; 0.3m h x 1m w; Small cream to yellow flower with top two petals claret; Flowers: Spr/Sum; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Pelargonium "Vancouver Centennial"</i>	Pelargonium; 0.3m h x 0.3m w; Showy mounding perennial with small, deeply-cut, variegated yellow and brick-red leaves and delicate clusters of red-orange flowers.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained; Frost Tender
<i>Pelargonium "Vancouver Centennial O"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Pelargonium "Warraine"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Westcliffe"</i>	Pelargonium; 0.5m h x 0.5m w; Star-shaped pink flowers.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "White Champion"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Compact plant with large glistening pure white flowers.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium "White Wine"</i>	Pelargonium; 0.5m h x 0.5m w; Regal.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium "Worley"</i>	Pelargonium; 0.4m h x 0.4m w; Flower Colour: Red; Sun/Semi Shade; Adaptable
<i>Pelargonium "Zanbanandra"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium - dark red flowers.; Flowers: Spr/Sum; Flower Colour: Burgundy; Sun/Semi Shade; Adaptable
<i>Pelargonium . "Lara LZ 04055"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium abrotanifolium</i>	Pelargonium; Southernwood-leaved; South Africa; 0.5m h x 0.4m w; Erect, branched shrublet, with slender, woody branches & feathery, grey-green leaves, which are pleasantly scented. The small flowers vary from white, pink to mauve and veined in red or purple.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium alchemilloides</i>	Pelargonium; 0.2m h x 0.8m w; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium ardens</i>	Pelargonium; 0.4m h x 0.4m w; Soft foliage.; Flower Colour: Red
<i>Pelargonium blandifordianum</i>	Pelargonium; Rose scented; 0.6m h x 0.4m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium crispum</i>	Pelargonium; Lemon Geranium; S. Africa; 1m h x 0.5m w; Stiffly, upright shrub. Lemon scented, rough, crinkled leaves.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Drought Tolerant
<i>Pelargonium crispum</i>	Pelargonium; French Lace; 0.75m h x 0.5m w; Lemon scented leaves with white edges. Grows well in containers.; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium echinatum "Alba"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are white with small splashes of beetroot .; Flowers: Spr/Sum; Flower Colour: Bicolour; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva

Notes

<i>Pelargonium echinatum</i> "Mrs Stapleton pw"	Pelargonium; 0.4m h x 0.4m w; Very unusual flowers. Ice pink flowers, darkening to deep pink over time, so it appears to have different shades of pink on the same stem. All flowers have plum splotches.; Flowers: Sum/Aut; Flower Colour: Bicolour; Sun/Semi Shade; Well Drained
<i>Pelargonium fragrans</i> "Nutmeg"	Pelargonium; 0.4m h x 0.4m w; Scented geranium with small white flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Pelargonium fulgidum</i>	Pelargonium; South Africa; 1m h x 1m w; Perennial dwarf shrub with a scrambling habit, silvery, silky foliage and bright red flowers. The leaves are oblong to heart-shaped, with serrated margins and are covered with tiny, silvery hairs.; Flowers: Spr/Sum; Flower Colour: Red; Sun; Well Drained; Drought Tolerant
<i>Pelargonium gibbosum</i>	Pelargonium; Knotted Geranium; South Africa; 0.4m h x 1.5m w; The deeply toothed, blue-green leaves are semi-succulent. The plant is usually dormant in summer. In the right position <i>Pelargonium gibbosum</i> forms a thick mound 30-60cm high, the plant spreading to over a metre across.; Flowers: Summer; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Pelargonium glutinosum</i>	Pelargonium; S. Africa; 1.5m h x 1m w; Erect, well-branched, balm-scented shrub, with soft herbaceous stems when young but becomes woody as it matures. The leaves are green to dark green. Dark pink flowers throughout the year with most in spring.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium graveolens</i>	Pelargonium; Rose Geranium; South Africa; 1m h x 1m w; Erect, much-branched shrub with strongly rose-scented leaves and pink/white flowers. Good container plant.; Flowers: Spr/Sum; Flower Colour: Pink; Shade/Semi Shade; Moist; Drought Tolerant
<i>Pelargonium laevigatum</i>	Pelargonium; S. Africa; 0.5m h x 0.5m w; Much branched evergreen with narrow 3-pronged leaves. Flowers are white, cream coloured or pink with reddish markings at the base.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Pelargonium lobatum</i>	Pelargonium; 0.5m h x 0.5m w; flowers are small with black flag with yellow margin and knotted stem and soft fern like leaf.; Flowers: Spr/Sum; Flower Colour: Brown; Sun; Well Drained
<i>Pelargonium odoratissimum</i> "Apple Mint"	Pelargonium; Apple cider geranium; 0.3m h x 0.3m w; Scented pelargonium with leaves larger than regular Apple variety and there is a definite mint scent along with the apple scent. Grey-green leaves, topped with tiny white to pink blooms. This plant does well in hanging baskets.; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Pelargonium radulifolium</i>	Pelargonium; South Africa; 0.5m h x 0.4m w; Perennial herb up to 50cm tall when in flower. The soft hairy leaves are finely denticated. It has a large tuberous rootstock from which it can resprout after fire. Flowers are mauve to white with darker stripes.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Dry
<i>Pelargonium regal</i> "Delli"	Pelargonium; 0.5m h x 0.5m w; flower is pink frilly with mauve flush; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium regal</i> "Edwards sunray"	Pelargonium; 0.5m h x 0.5m w; Flowers: Sum/Aut; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Pelargonium regal</i> "frutetorum"	Pelargonium; 0.5m h x 0.5m w; Flowers: Sum/Aut; Flower Colour: Apricot; Sun; Well Drained
<i>Pelargonium reniforme</i>	Pelargonium; South Africa; 0.8m h x 0.2m w; C21. Erect or trailing subshrub with pink to magenta flowers with darker markings on upper petals and grey-green, velvety and kidney-shaped leaves. Has tuberous roots and is clump forming.; Flower Colour: Magenta; Sun; Well Drained; Drought Tolerant

Genus/Species/Cultiva**Notes**

<i>Pelargonium ribiflorum</i>	Herb; 0.8m h x 0.8m w; Mauve-white flowers with pink markings with scented leaves with a maple shape; Flowers: Win/Spr; Flower Colour: Mauve; Sun; Well Drained
<i>Pelargonium robiniflorum</i>	Pelargonium; 0.2m h x 1m w; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium robinifolium</i>	Pelargonium; 0.2m h x 1m w; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium sidoides "black"</i>	Pelargonium; Sth Africa; 0.5m h x 0.3m w; Used for herbal medicine. Low mounding plant with silver greyish leaves.; Flowers: Spr/Sum; Sun/Semi Shade; Well Drained
<i>Pelargonium sidoides black</i>	Pelargonium; 0.4m h x 0.4m w; Black flowers; Flowers: Spr/Sum
<i>Pelargonium sp "ivy leaf GBG"</i>	Pelargonium; 0.5m h x 0.5m w; from GBG collection - 12/5/15; Flowers: Sum/Aut; Sun; Well Drained
<i>Pelargonium tomentosum "Dark Lady"</i>	Pelargonium; 0.4m h x 0.4m w; Sprawling fast-growing geranium with soft, velvety leaves with a dark patch. Peppermint scented.; Flowers: All Year; Flower Colour: Burgundy; Sun/Semi Shade; Well Drained
<i>Pelargonium tongaense</i>	Pelargonium; South Africa; 0.4m h x 0.4m w; A species pelargonium found only in a small area of north-eastern Natal, South Africa. It grows under bushy trees in fairly dense shade on sandy soil. It has orange-red flowers and lobed fleshy leaves.; Flowers: Sum/Aut; Flower Colour: Red; Shade/Semi Shade; Well Drained
<i>Pelargonium x peltatum "Summer Showers"</i>	Pelargonium; Ivy Leaf Geranium; 0.3m h x 0.3m w; Vigorous, upright ivy-leaf geranium. Big, informal flower heads and distinctive ivy leaves create a beautiful cascade; Flowers: Spr/Sum; Flower Colour: Various; Sun/Semi Shade; Adaptable
<i>Pelargonium zonal "Atomic Snowflake"</i>	Pelargonium; 0.5m h x 1m w; Strongly scented ground cover with small creamy white flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Penstemon "dp"</i>	Perennial; 1.2m h x 1m w; Small dark pink flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Penstemon "magenta"</i>	Perennial; 1.2m h x 1m w; Flowers: Spr/Sum; Flower Colour: Magenta; Sun/Semi Shade; Well Drained
<i>Penstemon "Swan Lake"</i>	Perennial; N. America; 1m h x 0.5m w; Lovely white tubular flower with a soft pink blushed throat, produced in spires.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Persicaria odorata</i>	Herb; Vietnamese Mint; Vietnam; 0.45m h x 0.45m w; Medicinal and culinary herb.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Moist
<i>Petroselinum crispum var crispum</i>	Herb; Parsley (Curly); Europe, Asia; 0.5m h x 0.5m w; Bright green, biennial herb, also used as spice.; Flowers: Summer; Flower Colour: Cream; Sun/Semi Shade; Moist
<i>Petroselinum crispum var neapolitanum</i>	Herb; Continental Parsley; 0.2m h x 0.2m w; Sun/Semi Shade; Adaptable
<i>Phaseolus caracalla</i>	Climber; Snail Creeper; Asia; 5m h x 1m w; Flowers: Sum/Aut; Flower Colour: Purple; Sun; Well Drained
<i>Philadelphus x falconeri</i>	Shrub; Mock Orange; Northern Hemisphere; 3m h x 2m w; Fragrant deciduous shrub.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade;

Genus/Species/Cultiva**Notes**

<i>Phlomis fruticosa</i>	Shrub; Jerusalem Sage; 0.8m h x 0.5m w; Small shrub, popular for its foliage, scent, and flowers. Yellow, tubular flowers grow in whorls of 20 in short spikes. Sage-like, aromatic leaves are oval, wrinkled, grey-green with white undersides, giving a silvery appearance.; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained
<i>Phlomis russeliana</i>	Perennial; Hardy Jerusalem Sage; Syria; 0.3m h x 0.6m w; Tough perennial, admired for both its unusual whorls of soft butter- yellow flowers and its large olive-green leaves.; Flowers: Summer; Flower Colour: Yellow;
<i>Phlox paniculata</i>	Perennial; Perennial Phlox; Nth America; 0.8m h x 0.4m w; Widely used border plant with many different cultivars available. Reaching nearly 1m Phlox paniculata is a summer flowering perennial with flowers varying from white through to purple.; Flowers: Spr/Sum; Flower Colour: Various; Sun/Semi Shade; Adaptable
<i>Phormium tenax "G"</i>	Grass; NZ Flax; NZ; 1.5m h x 1.5m w; Strappy architectural plant with arching green leaves and panicles of orange/bronze flowers.; Flowers: Summer; Flower Colour: Orange; Sun; Adaptable
<i>Phygelius aequalis</i>	Perennial; 1m h x 0.5m w; Lush, fast-growing, evergreen perennial, with spikes of showy trumpet-shaped, flowers and a long blooming season.; Flowers: Sum/Aut; Flower Colour: Lemon; Sun/Semi Shade; Moist
<i>Phymosia umbellata</i>	Tree; Mexico; 6m h x 3.5m w; Flowers: Winter; Flower Colour: Magenta; Sun/Semi Shade; Well Drained
<i>Pipturus argenteus</i>	Shrub; Native Mulberry; Qld; 5m h x 3m w; Broadleaved shrub with white under leaves. Flowers are green, white or cream, fruit white & mulberry-like. Dioecious shrub - male and female flowers on separate plants.; Flowers:
<i>Pittosporum tobira</i>	Tree; Japanese Mock Orange; Japan; 6m h x 4m w; Hardy rounded plant, useful for hedges or groundcover.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Plectranthus . "mv"</i>	Perennial; Sth Africa; 1m h x 1m w; Flowers: Autumn; Flower Colour: Mauve; Semi Shade; Adaptable
<i>Plectranthus argentatus</i>	Perennial; Qld, NSW; 0.8m h x 0.5m w; Vigorous suckering herbaceous plant with grey aromatic leaves and blue flowers in summer & autumn, giving a silvery appearance. Good rockery plant.; Flowers: Sum/Aut; Flower Colour: Blue; Shade/Semi Shade; Well Drained; Frost Tender
<i>Plectranthus ciliatus</i>	Perennial; South Africa; 0.3m h x 0.1m w; Pleasantly aromatic, soft, perennial straggling herb or subshrub, succulent; branches spreading to erect, densely covered with maroon-purple, long multicelled, spreading hairs.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Well
<i>Plectranthus ecklonii "pu"</i>	Perennial; Sth Africa; 1.8m h x 1m w; Soft, erect, fast growing shrub with striking purple flowers in autumn.; Flowers: Autumn; Flower Colour: Purple; Semi Shade; Adaptable
<i>Plectranthus intraterraneus</i>	Perennial; cocksaur flower; WA,SA,NT; 0.6m h x 1m w; Fragrant herb with branches that spread or are erect.; Flowers: Win/Spr; Flower Colour: Mauve; Sun; Moist
<i>Plumbago auriculata</i>	Shrub; Leadwort; Sth Africa; 2m h x 2m w; Rambling evergreen shrub with blue flowers. Responds well to pruning - flowers on new growth.; Flowers: Summer; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Podocarpus macrophyllus</i>	Tree; Kusamaki; 20m h x 3.5m w; Small black berries.; Flower Colour: Brown; Sun/Semi Shade; Moist
<i>Prostanthera rotundifolia</i>	Shrub; Mint Bush; Vic., Tas., NSW; 2m h x 1.5m w; C21. Rounded compact shrub with aromatic leaves and profuse purple flowers in spring.; Flowers: Spring; Flower Colour: Purple; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Ptilotus obovatus</i>	Shrub; Silver Tails; Arid parts of mainland states; 0.6m h; C21. Compact shrub with rounded silver grey leaves. Small globular heads of pink and grey flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Puya ferrugiana</i>	Succulent; South America; 0.3m h x 0.3m w; Small slow-growing bromeliad with long very thin silvery-green foliage that often twists towards the tips like a spiky tussock. Flowers are pale white with tones of green and yellow; Flowers: Spring; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Quercus palustris</i>	Tree; Pin Oak; 15m h x 8m w; Majestic tree with good autumn colour, suitable for larger park and garden plantings. Lustrous, dark green leaves with five to seven deep, fine lobes. Deep red to bronze in late autumn, with brilliant scarlet colour in cooler areas.; Any; Adaptable
<i>Ranunculus cortusifolius</i> "RARE"	Perennial; Canary buttercup; Canary Islands; 0.3m h x 0.2m w; Rare plant from the GBG perennial border. Big beautiful maple-like leaves are topped with large heads of shiny yellow buttercups.; Flowers: Spring; Flower Colour: Yellow; Semi Shade; Moist
<i>Reineckia carnea</i>	Groundcover; 0.2m h x 0.3m w; This evergreen perennial looks like a large leafed Mondo Grass, but will cover the ground faster. Light pink scented flowers followed by red berries; glossy, rich foliage, spreading.; Flowers: Spr/Sum; Flower Colour: Pink; Shade/Semi Shade; Moist
<i>Rhagodia parabolica</i>	Shrub; Mealy saltbush; NSW, Vic, SA; 2m h x 3m w; Shrub with silver grey-green leaves and occasional reddish tonings. Flowers are small but fragrant and are followed by red berries. Good hedge material.; Flowers: All Year; Flower Colour: Cream; Sun; Well Drained
<i>Ricinocarpos pinifolius</i>	Shrub; Wedding Bush; Qld, NSW, Vic., Tas., NT.; 1.5m h x 1m w; Graceful rounded shrub with linear leaves. Bears profuse white flowers in spring. Indigenous to Geelong area.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Rosa "Jacques Cartier"</i>	Shrub; 1.3m h x 1m w; David Austen rose : a hardy shrub rose with highly perfumed complex pink blooms.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Royena lucida</i>	Shrub; African Snowdrop; Sth Africa; 3m h x 3m w; Evergreen shrub with erect, branching stem, glossy green leaves, small white flowers & red or purple berries.; Flowers: Aut/Win; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Rubeckia laciniata</i>	Perennial; 3m h x 1m w; Flowers: Sum/Aut; Flower Colour: Yellow; Sun/Semi Shade; Moist
<i>Russelia exquisitiformis</i>	Shrub; Coral bush; Central America; 1m h x 1m w; Weeping evergreen shrub with a profusion of scarlet-coral flowers.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Ruttya fruticosa</i>	Shrub; Rabbit Ears; Africa; 3.5m h x 1.5m w; Bushy tropical plant flowering over several months in terminal spikes. Flowers are tubular and orange- red in colour with lower lip with a brown blotch. In cooler climates should be grown in a green house.; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Salvia "Blue Abyss"</i>	Salvia; 1.3m h x 1m w; Large shrub with dark blue-purple flowers Oct-Jun. It has olive green foliage.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia "Bluebird"</i>	Salvia; NZ; 2.5m h x 1.4m w; Hardy shrub with small blue flowers, ideal for the back of a border.; Flowers: Win/Spr; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia "Costa Rican Blue"</i>	Salvia; 2m h x 1.5m w; Large shrubby perennial with purple-blue flowers and dark bluish calyx. <i>Salvia guaranitica</i> x <i>gesneriiflora</i> .; Flowers: Aut/Win; Flower Colour: Blue; Semi Shade; Well Drained; Drought Tolerant

Genus/Species/Cultiva**Notes**

<i>Salvia "Finnsgrove"</i>	Salvia; 0.6m h x 0.6m w; Flower Colour: Mauve; Sun
<i>Salvia "Indigo Spires"</i>	Salvia; 1m h x 1m w; Hybrid with dark violet flowers to 50cm over 8 months of the year. Can become leggy.; Flowers: Summer; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant
<i>Salvia "Joan"</i>	Salvia; 1m h x 1m w; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Salvia "Marine Blue"</i>	Salvia; 1m h x 0.8m w; Small rounded grey-leaved evergreen with dark blue flowers from spring to autumn. Hardy to heat, dry and light frost.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia "Meigan's Magic"</i>	Salvia; 1m h x 1m w; Vigorous compact shrub with dark navy-purple bract & white flower.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia "Purple Majesty"</i>	Salvia; Mexico; 1.5m h x 1.5m w; A large semishrubby perennial with an upright and somewhat open habit. The shiny dark green leaves are broad, pointed and heavily textured. The deep purple tubular flowers have a velvet-texture and are formed on whorls.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Salvia "Silke's Dream"</i>	Salvia; 0.8m h x 0.6m w; Large red and coral flowers.; Flowers: Spring; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Salvia africana-caerulea</i>	Salvia; South Africa; 1.5m h x 1m w; Evergreen upright hardy South African shrub. Continuous lavender flowers. For a sunny position.; Flowers: All Year; Flower Colour: Mauve; Sun; Well Drained; Drought Tolerant
<i>Salvia aurea</i>	Salvia; 1.2m h x 1.2m w; Aromatic, fast-growing, hardy shrub with unusually coloured flowers borne over a long period. Syn <i>S. africana-lutea</i> .; Flowers: Spr/Sum; Flower Colour: Orange; Sun; Well Drained; Drought Tolerant
<i>Salvia canariensis</i>	Salvia; Canary Island Sage; Canary Island; 1.8m h x 1.5m w; A big beautiful and quick-growing sage with rose-pink and purple flowers and papery bracts.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well
<i>Salvia canariensis</i>	Salvia; 1.8m h x 1.5m w; A big beautiful and quick-growing sage with rose-pink and purple flowers and papery bracts.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Salvia chamaedryoides x greggii</i> <i>"Cookie"</i>	Salvia; 0.5m h x 0.5m w; Hardy evergreen small bush. Silver grey leaves and blue violet flowers.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia chiapensis</i>	Salvia; Chiapas Sage; Mexico; 1m h x 1m w; C21. A shade-loving Salvia with purplish-pink or magenta flowers which bloom on erect one foot tall stems.; Flowers: Summer; Flower Colour: Magenta; Shade/Semi Shade; Moist; Frost Tender
<i>Salvia chionophylla</i>	Salvia; Mexico; 0.15m h x 2m w; Unusual trailing perennial with grey leaves with light blue flowers.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Frost Tender
<i>Salvia confertiflora</i>	Salvia; Brazil; 1.5m h x 1m w; Shrubby perennial with orange to red flowers in brown calyces.; Flowers: Sum/Aut; Flower Colour: Orange; Semi Shade; Well Drained
<i>Salvia corrugata</i>	Salvia; Ecuador; 1.5m h x 1.5m w; Shrubby perennial with royal blue flowers and dark green aromatic & corrugated leaves.; Flowers: Aut/Win; Flower Colour: Blue; Semi Shade; Well Drained
<i>Salvia discolor</i>	Salvia; Andean Sage; Peru; 0.6m h x 0.6m w; C21. Plant in rock gardens, tubs and borders. Dramatic, purple-black flowers and contrasting silvery leaves and stems. GBG Top Ten.; Flowers: Sum/Aut; Flower Colour: Purple; Sun; Well Drained; Drought Tolerant; Frost Tender

Genus/Species/Cultiva**Notes**

<i>Salvia dolomitica</i>	Salvia; South Africa; 0.9m h x 0.8m w; C21. Perennial with soft lilac flowers.; Flowers: Sum/Aut; Flower Colour: Mauve; Semi Shade; Well Drained; Drought Tolerant
<i>Salvia dorisiana</i>	Salvia; Peach Sage; Honduras; 2m h x 1.4m w; Large bright pink flowers, large leaves have fruity fragrance. Leaves & flowers are both edible. GBG Top Ten.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Well
<i>Salvia elegans</i>	Salvia; Pineapple Sage; Mexico, Guatemala.; 1.3m h x 1m w; Perennial shrub with aromatic foliage and cerise-red flowers. Grows naturally in highland forests. Leaves & flowers are both edible.; Flowers: Autumn; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant; Frost
<i>Salvia elegans "Honey Melon"</i>	Salvia; Pineapple Sage; 0.5m h x 0.5m w; Variety of Pineapple Sage, which has the same pineapple fragrance in the leaves, and blooms early in the summer, rather than in autumn. Purplish foliage with pale red flowers.; Flowers: Spr/Sum; Flower Colour: Red; Sun; Well Drained
<i>Salvia fruticosa "Greek Skies"</i>	Salvia; Greek Sage; Canary Is., N.Afr.to Middle East;; 1.2m h x 1m w; C21. Medium shrub with soft sage-coloured foliage, soft hairy rugose leaves, giving a silvery appearance. Lavender scented. Neutral to alkaline soils.; Flowers: Spr/Sum; Flower Colour: Purple; Sun; Well Drained; Drought
<i>Salvia gesneriiflora "Red Rambler"</i>	Salvia; 1.6m h x 1.5m w; New growth tips are yellow/green and flowers are a bright orange red, almost luminous. Calyces are light brown.; Flowers: Spr/Sum; Flower Colour: Red; Shade/Semi Shade; Well Drained
<i>Salvia gesneriiflora "Tequila"</i>	Salvia; 2m h x 1.6m w; A large perennial with bright red flowers and black calyces. Needs mulch to keep roots cool.; Flowers: Sum/Aut; Flower Colour: Red; Semi Shade; Well Drained
<i>Salvia greggii "Alba"</i>	Salvia; 0.8m h x 0.6m w; Flowers: Sum/Aut; Flower Colour: White; Sun; Well Drained
<i>Salvia greggii "Bicolor"</i>	Salvia; 1m h x 0.6m w; Flowers are beige and pink; Flowers: Spr/Sum; Flower Colour: Bicolour; Sun/Semi Shade; Well Drained
<i>Salvia guaranitica</i>	Salvia; South America; 1.5m h x 1m w; Leafy perennial - dark blue flowers with very dark violet calyces. It spreads by rhizomes, but is not really invasive. GBG Top Ten.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Frost Tender
<i>Salvia guaranitica "Black and</i>	Salvia; Blue Anise Sage; 1.3m h x 1.3m w; Bushy semi-woody perennial with dark-green, toothed ovate leaves and spikes of dark-blue, tubular flowers. The calyx is black.; Flowers: Sum/Aut; Flower Colour: Blue; Sun; Adaptable; Drought Tolerant
<i>Salvia guaranitica "Large Form"</i>	Salvia; 1.4m h x 1m w; Large form. Larger flower and more compact plant than the species, with rich, electric-blue flowers on a shrub about 1.3 m tall. It is a non-invasive form, unlike other forms of this species.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Adaptable
<i>Salvia involucrata "Mulberry Jam"</i>	Salvia; 1.2m h x 1m w; An upright shrub-like perennial with dark reddish green leaves and spikes of deep cyclamen pink flowers in spring and autumn.; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Salvia involucrata "Pink Icicles"</i>	Salvia; 1.6m h x 1.5m w; Large shrub with pale pink flowers with white on lower lip & pink bracts.; Flowers: Aut/Win; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Salvia involucrata x karwinskii "Romantic Rose"</i>	Salvia; 2m h x 2m w; Tall loose shrubby perennial, ideal as a screening plant. Wide tubular flowers on densely packed stems.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Well Drained; Drought Tolerant

Genus/Species/Cultiva**Notes**

<i>Salvia iodantha</i>	Salvia; Mexico; 3.5m h x 2m w; Crimson flowers are born in large whorls and are very striking when in full bloom, velvety in appearance as they are covered with fine hairs.; Flowers: Winter; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Salvia karwinskii</i>	Salvia; Mexico/Nicaragua; 2.5m h x 1.5m w; Coral-pink terminal flowers with brown calyx on soft velvet canes. Suitable for shrubby background.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Well Drained;
<i>Salvia karwinskii x involucrata</i> "Timboon"	Salvia; Timboon Sage; 2m h x 1.5m w; Large shrub that has carmine flowers which occur May-Aug It has green foliage and prefers a part-full sun position in a general soil; Flowers: Win/Spr; Flower Colour: Magenta; Sun;
<i>Salvia lanceolata</i>	Salvia; Golden Sage; South Africa; 1m h x 1m w; C21. Compact shrub: grey-green leaves with lemon pepper taste & fragrance. Flowers dusky pink with pink/brown calyx.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia leucantha</i> "Phyllis Fancy"	Salvia; California; 1.5m h x 1.5m w; Natural hybrid between the Purple Velvet Sage and <i>S. chiapensis</i> . Furry white flowers are tinged with a lavender-blue blush which becomes more pronounced in autumn.; Flowers: Summer; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Salvia leucantha</i> "pu/w"	Salvia; 1m h x 1m w; Purple velour flowers with white throat; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Salvia leucantha</i> "Red Harry"	Salvia; 0.7m h x 0.7m w; Flowers: Win/Spr; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Salvia leucantha</i> "White Velour"	Salvia; 1m h x 1m w; Showy cultivar with long spikes of pure white flowers during summer and autumn. A tough drought tolerant plant, with a silvery appearance.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant; Frost Tender
<i>Salvia leucantha x rutilana</i> "Anthony Parker"	Salvia; 0.9m h x 0.8m w; Perennial plant ideal for cottage gardens. Flowers are deep violet - blue.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Drought Tolerant
<i>Salvia leucophylla</i>	Salvia; California; 1.5m h x 1.2m w; Bushy perennial with lavender pink flowers with silver grey-white calyx. Ideal for dry gardens.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained; Drought Tolerant
<i>Salvia madrensis</i>	Salvia; Mexico; 2m h x 1.4m w; Tall perennial with soft yellow flowers with sulphur yellow calyx and stems.; Flowers: Aut/Win; Flower Colour: Yellow; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia mexicana</i>	Salvia; Mexican Sage; 1.5m h x 1m w; . It has blue flowers and various calyx colors. Mexican sage is highly variable in both leaf form and flower details. This is an autumn-blooming sage with nice form and rugged character; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well
<i>Salvia mexicana</i> "Limelight"	Salvia; Mexico; 1.3m h x 1.5m w; Shrubby perennial with stunning lime calyx and purple blue flower. GBG Top Ten.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia mexicana</i> "Lolly"	Salvia; 1.3m h x 1.2m w; Thick brushes of steely purple/blue flowers with black/blue calyces. GBG Top Ten.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia mexicana</i> "Major"	Salvia; Mexico; 2m h x 1.5m w; Royal blue flowers with green calyx, dark green glossy leaves. GBG Top Ten.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia microphylla</i> "Cerise"	Salvia; 0.6m h x 0.6m w; Grows as a compact upright plant, then spreads. The leaves are a glossy blue green and have a musky fragrance. The flowers are dark red.; Flowers: Sum/Aut; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant

Genus/Species/Cultiva

Notes

<i>Salvia microphylla</i> "Hot Lips"	Salvia; Central America; 1m h x 1m w; Cultivar of <i>Salvia microphylla</i> , with scarlet-and-white flowers which can appear completely red or white at any one time. Sweet fragrant foliage. Attractive to bees.; Flowers: Sum/Aut; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia microphylla</i> "Iced Lemon"	Salvia; 0.8m h x 0.8m w; Long flowering small bush with lemon flowers. Useful blending colour. Best in well drained sunny position.; Flowers: Spr/Sum; Flower Colour: Lemon; Sun/Semi Shade; Well Drained; Drought
<i>Salvia microphylla</i> "Margaret Arnold"	Salvia; 0.6m h x 0.6m w; Grows as a compact upright plant, then spreads. The leaves are a glossy blue green and have a musky fragrance. Small cerise pink flowers and dark calyx.; Flowers: Sum/Aut; Flower Colour: Magenta; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia microphylla</i> "Mystique"	Salvia; 1.5m h x 1m w; Flowers are red to deeper pink. Mulch well over summer; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well
<i>Salvia microphylla</i> "Navajo Red"	Salvia; 0.3m h x 0.3m w; This heat and drought tolerant salvia has an appealing mounded habit. <i>Salvia Navajo Red</i> produces a brilliant display of scented, brilliant red flowers. Attracts bees & butterflies; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Salvia microphylla</i> "Red Beacon"	Salvia; 0.3m h x 0.7m w; Flowers: Sum/Aut; Flower Colour: Red; Sun; Well Drained
<i>Salvia microphylla</i> var <i>neurepia</i>	Salvia; Graham's Sage; Mexico, S.W. America; 0.9m h x 0.9m w; Evergreen shrub or shrubby perennial with dark, small glossy leaves and blossoms of cherry-red. Its attractive foliage cloaks the plant to the ground, so it is well suited to the front of the border.; Flowers: Sum/Aut; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia nilotica</i>	Salvia; East African highlands; 0.7m h x 0.5m w; Perennial shrub growing naturally between 900-3600 m elevation. It has many creeping rhizomes and stems about 60-90 cm tall. The small flowers, in whorls of 6-8, range from purple to rose to white; Flower Colour: Various; Sun; Well Drained
<i>Salvia pseudonutans</i> "Blue"	Salvia; 0.7m h x 0.5m w; Flowers: Aut/Win; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia purpurea</i>	Salvia; Purple Sage; 1m h x 1m w; Tall, slightly sprawling plant, which is smothered with light purple flowers. Syn <i>S. officinalis</i> 'Purpurea'?; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia regia</i>	Salvia; Mountain Sage; Mexico; 1.5m h x 1m w; Compact shrub which grows in rocky mountain soil. Very bright red flowers.; Flowers: Autumn; Flower Colour: Red; Shade/Semi Shade; Well Drained
<i>Salvia rubiginosa</i>	Salvia; 2m h x 1.5m w; Bright blue flowers with white throat.; Flowers: Win/Spr; Flower Colour: Bicolour; Sun/Semi Shade; Adaptable; Drought Tolerant; Frost Tender
<i>Salvia rumicifolia</i>	Salvia; 0.8m h x 0.6m w; Resembles a large form of <i>S. sagittata</i> , with thicker green stems and deeper blue flowers. Tolerates extremes of temperature better than <i>S. sagittata</i> . Bushy plant with flower stems rising above the foliage.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well
<i>Salvia runcinata</i>	Salvia; South Africa; 0.5m h x 0.3m w; Upright plant with light green crinkled foliage.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Salvia sagittata</i> "Mosquito"	Salvia; Mexico; 0.8m h x 0.6m w; Perennial which reshoots from the base. Royal blue flowers on black wiry stems.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Drought Tolerant

Genus/Species/Cultiva**Notes**

<i>Salvia scordifolia</i>	Salvia; 0.9m h x 0.6m w; Shrubby plant with emerald green foliage and indigo blue flowers from spring to autumn. Suitable for cottage gardens or borders. Previously S. Harmony.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Frost Tender
<i>Salvia semiatrata</i>	Salvia; 1m h x 0.9m w; Flowers are pink to purple.; Flowers: Sum/Aut; Flower Colour: Purple; Sun; Well Drained
<i>Salvia somalensis</i>	Salvia; Somalia; 1.5m h x 1m w; C21. Pale lime-green foliage complements the pale blue flowers, which have white markings on the lower lip.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained;
<i>Salvia wagneriana</i>	Salvia; Central America; 2m h x 1.5m w; Hardy shrub with pastel pink fat & tubular flowers. May need summer moisture: mulch well to keep roots cool.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Drought Tolerant; Frost Tender
<i>Santolina chamaecyparissus</i>	Shrub; Lavender cotton; 0.5m h x 0.5m w; Silver foliage. Evergreen rounded dense shrub with silvery scented leaves & button-like flower heads on long stalks.; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained
<i>Sarcococca confusa</i>	Shrub; Sweet Box; China; 1.5m h x 1m w; Evergreen shrub with glossy dark green leaves. Buds begin the palest greenish-white & open to a pure creamy white fragrant flower.; Flowers: Winter; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Sarcococca hookeriana</i>	Shrub; sweet box; Himalayas; 1.8m h x 2m w; Evergreen suckering shrub with tiny white fragrant flowers with pink anthers, followed by black fruit.; Flowers: Winter; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Saxifraga californica</i>	Groundcover; North America and Mexico; 0.15m h x 0.15m w; Clumpforming tufted perennial with rounded kidney shaped leaves. Flowers are grow on spikes.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Scabiosa "p"</i>	Groundcover; Pincushion flower; Mediterranean; 0.3m h x 0.5m w; Evergreen perennial growing in a clump. Flowers are on long stalks with multiple florets and protruding filaments giving a pincushion effect.; Flowers: Summer; Flower Colour: Pink; Sun; Well Drained
<i>Scabiosa "Ritz Rose"</i>	0.2m h x 0.3m w; oga; Flowers: Sum/Aut; Flower Colour: Mauve; Sun/Semi Shade; Adaptable
<i>Scabiosa "wh"</i>	Groundcover; 0.3m h x 0.5m w; Evergreen perennial growing in a clump. Flowers are on long stalks with multiple florets and protruding filaments giving a pincushion effect.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Scabiosa columbaria</i>	Groundcover; Pincushion plant; N. Africa, Asia.; 0.6m h x 0.4m w; Flowers are red-purple to lilac blue.; Flowers: Sum/Aut; Flower Colour: Mauve; Sun; Well Drained
<i>Scaevola aemula</i>	Groundcover; Fan flower; SA, Vic., Tas; 0.2m h x 1m w; Very variable prostrate shrub, with mauve-blue-purple fan-shaped flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained
<i>Scaevola calendulacea</i>	Groundcover; Scented fan flower; NSW, Qld, Vic.; 0.2m h x 1m w; C21. Spreading plant with stems that may reach 1 metre in length. Leaves are shiny, succulent and up to 8 centimetres long. Blue, fan-shaped flowers are present throughout the year. They are followed by blue succulent fruits.; Flowers: All Year; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant
<i>Schinus molle</i>	Tree; Peppercorn tree; Sth America; 12m h x 6m w; Large spreading tree with drooping fern-like leaves which are aromatic when crushed. Flowers hang in clusters with male and female flowers on separate plants. Fruit is pink. Note: Environmental weed.; Sun; Dry; Drought Tolerant

Genus/Species/Cultiva**Notes**

<i>Sedum autumn joy</i>	Succulent; Europe and Nth Africa; 0.1m h x 0.15m w; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained
<i>Sedum dasyphyllum</i>	Succulent; mediterranean; 0.2m h x 0.4m w; flowers are tiny with pink tints. Leaves are are grayish to bluish green; Flowers: Summer; Flower Colour: White; Sun; Well Drained
<i>Sedum forsterianum ssp elegans "S"</i>	Succulent; Asia; 0.1m h x 0.1m w; Drought tolerant groundcover with silver foliage.; Flowers: Summer; Flower Colour: Yellow; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Sedum hybrid</i>	Succulent; 0.3m h x 1m w; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained
<i>Sedum nussbaumeranum</i>	Succulent; 0.3m h x 1m w; Leaves are goldish; Flowers: Win/Spr; Flower Colour: White; Sun; Well Drained
<i>Sedum rubrotinctum</i>	Succulent; Jelly Bean; Mexico; 0.1m h x 0.1m w; The leaves of this plant change colour from green to red during the summer months and sprout bright yellow flowers from between the leaves in mid-spring. Forms a quick ground cover.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Senecio articulatus</i>	Succulent; candle plant; south africa; 0.6m h x 0.4m w; greyiish blue stems weakly jointed. Terminal sprays of yellow white daisy like flowers Well suited to coastal climate and ideal plant for a large pot.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Senecio crassiflorus</i>	Groundcover; Sth America; 0.2m h x 0.5m w; Silvery white prostrate succulent with broadly bell shaped, woolly flower heads. GBG silver border.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Senecio serpens</i>	Succulent; Blue Chalk Sticks; Sth Africa; 0.2m h x 0.4m w; Silver foliage. A ground cover with silver cylindrical leaves. The trailing stems take root as they touch the ground. White flowers.; Flowers: Autumn; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Senecio viravira</i>	Perennial; Argentina, Chile; 0.6m h x 1m w; Deeply pinnate silvery-white leaves and small pale yellow flowers. GBG Silver Border.; Flowers: Sum/Aut; Flower Colour: Lemon; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Senna aciphylla</i>	Shrub; Sprawling Cassia; Eastern Australia; 1.5m h x 1.8m w; Evergreen sprawling shrub with attractive foliage.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Sisyrinchium striatum</i>	Bulb/Corm; Satin flower; Americas; 0.45m h x 0.3m w; Medium-sized plant with long, thin leaves and pale yellow/cream flowers. Rhizomatous perennial.; Flowers: Spr/Sum; Flower Colour: Cream; Sun; Well Drained
<i>Solandra maxima</i>	Climber; golden chalice vine; south america; 9m h; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Solanum rantonettii</i>	Shrub; Blue Potato Bush; 2m h x 2m w; A scrambling shrub to 2 m high and wide with dull green leaves, It can be trained on a trellis, pool fence or pergola, wherever there's a support or it can be left to develop a shrubby habit.; Flower Colour: Blue; Sun/Semi Shade; Adaptable
<i>Solidago canadensis "cloth of</i>	Perennial; golden rod; Europe and USA; 1m h x 1m w; Hardy perennial which may become invasive.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Spiraea cantoniensis "reeves"</i>	Shrub; Reeves Spiraea; Asia; 2m h x 2m w; Deciduous or semievergreen small shrub with very showy clusters of white flowers in midspring. The wiry, reddish brown, gracefully arching stems can cover an area 6-8 ft across.; Flowers: Spr/Sum; Flower Colour: White; Shade/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Spiraea douglasii</i>	Shrub; Western Spiraea; Nth America; 1.8m h x 1.8m w; Upright deciduous shrub with rose-pink cylindrical flower clusters to 20cm long.; Flowers: Summer; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Spiraea prunifolia</i>	Shrub; bridal wreath; Asia; 1.8m h x 1m w; Snowy white double flowers in clusters of three to six with long pendulous branches in spring before the leaves appear. Leaves turn red in autumn.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade; Moist
<i>Stachys lanata</i>	Perennial; 0.5m h x 0.75m w; Syn. <i>S. byzantina.</i> ; Flowers: Spring; Flower Colour: Purple; Shade/Semi Shade; Well Drained
<i>Symphoricarpos albus</i>	Shrub; Common Snowberry; Rocky Mountains; 1.2m h x 1.5m w; Clusters of white berries follow pink bell-shaped flowers.; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Symphytum lilacinum</i>	Perennial; 0.3m h x 0.4m w; Flowers: Spring; Flower Colour: Mauve; Shade; Moist
<i>Syringa persica</i>	Shrub; Persian Lilac; Europe; 5m h x 5m w; Tall shrub with large soft mauve flowerheads, very fragrant.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Moist
<i>Tagetes lemmonii</i>	Perennial; Mountain Marigold; Mexico; 1.5m h x 1.5m w; C21. Large sprawling shrub with aromatic (passionfruit) leaves and small golden yellow flowers.; Flowers: Win/Spr; Flower Colour: Yellow; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Templetonia retusa "a"</i>	Shrub; Cocky's Crest; WA; 2m h x 3m w; Large rounded spreading shrub with apricot pea-flowers.; Flowers: Win/Spr; Flower Colour: Apricot; Sun; Well Drained
<i>Templetonia retusa "o"</i>	Shrub; Cocky's Crest; WA; 1m h x 2m w; Low shrub with bright orange pea flowers. Lime tolerant.; Flowers: Win/Spr; Flower Colour: Orange; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Templetonia retusa "r"</i>	Shrub; Cocky's Crest; SA, WA.; 2m h x 3m w; Large rounded spreading shrub with pea-flowers, mostly in red. Some varieties bear apricot or yellow flowers.; Flowers: Win/Spr; Flower Colour: Red; Sun; Well Drained; Drought
<i>Tetradenia riparia</i>	Shrub; Ginger Bush; Sth Africa; 3m h x 2m w; Fast growing aromatic shrub, slightly succulent. Mauve, pink or white flowers appear when plant is bare. Dioecious.; Flowers: Winter; Flower Colour: Various; Sun; Well Drained
<i>Tetragonia implexicoma</i>	Groundcover; Bower Spinach; 0.2m h x 3m w; A succulent rambling groundcovering shrub. Edible leaves are arranged in clusters along the stems. Small scented, pale yellow flowers are held on long stalks.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Adaptable
<i>Teucrium racemosum</i>	Groundcover; Inland areas; 0.4m h x 1m w; Low suckering shrub with narrow silver grey foliage and white flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Thomasia macrocarpa</i>	Shrub; WA; 0.6m h x 1m w; Low shrub with lobed leaves and pink flowers in spring.; Flowers: Spring; Flower Colour: Pink; Sun; Well Drained
<i>Threlkeldia diffusa</i>	Groundcover; Coast bonefruit; Southern Victoria; 0.25m h x 1.5m w; C21. Prostrate succulent silver grey perennial from the coastal regions and volcanic plains. Indigenous to Geelong area.; Flowers: Spring; Flower Colour: Green; Sun; Well Drained
<i>Tradescantia pallida "Purple"</i>	Groundcover; Purple Heart; Sth America; 0.2m h x 0.3m w; Clumping succulent with purple foliage .; Flower Colour: White; Shade/Semi Shade;
<i>Tradescantia virginiana "b"</i>	Perennial; 0.2m h x 0.2m w; Scrambling clumped plant. The leaves are green, long, thin and bladelike to lanceolate, from 3-45 cm long. The flowers are blue.; Flowers: Sum/Aut; Flower Colour: Blue; Shade/Semi

Genus/Species/Cultiva**Notes**

<i>Tulbaghia violacea</i>	Bulb/Corm; Society Garlic; 0.4m h x 0.4m w; Clump-forming perennial with narrow leaves and large clusters of fragrant, violet flowers from midsummer to autumn.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Adaptable
<i>Ugni molinae</i>	Shrub; Chilean Guava; Sth America; 0.9m h x 1.8m w; A highly decorative plant . This densely foliated, slow growing, evergreen shrub produces glossy green, aromatic leaves, and in spring, bears a mass of bell-shaped, white or pink flowers, followed by bright purple to red berries.; Flowers: Spr/Sum; Flower Colour: Cream; Sun/Semi Shade; Adaptable
<i>Ugni montana</i>	Shrub; Chilean Cranberry; Sth America; 1.5m h x 1.5m w; Medium shrub with glossy leaves which have a spicy scent when crushed. Flowers are followed by small red/purple berries.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Vachellia caven</i>	Tree; South America; 6m h x 3.5m w; Flowers: Spring; Flower Colour: Yellow; Sun; Well Drained
<i>Verbascum "pp"</i>	Perennial; Europe; 0.7m h x 0.5m w; Large basal rosette of leaves with a spike of very pale pink (almost white) flowers.; Flowers: Summer; Flower Colour: Pink; Sun; Well Drained
<i>Verbascum olympicum "y"</i>	Perennial; Turkey; 1.8m h x 0.2m w; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained
<i>Verbena bonariensis</i>	Perennial; Sth America; 2m h x 1m w; Perennial often grown as an annual. Leaves form a rosette at the base of the plant. Long, sparsely foliated stems with pink-purple flowers.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Adaptable
<i>Verbena sp "pu"</i>	Perennial; Central America; 0.3m h x 0.5m w; A colourful, dense, mat-forming ground cover which is ideal for adding colour to hot, dry spots ... plant with masses of purple flowers; Flowers: Summer; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Viburnum burkwoodii</i>	Shrub; 3m h x 3m w; Semi deciduous or evergreen shrub, with glossy deep green leaves & pink buds changing to white fragrant flowers, appearing in late winter to mid spring.; Flowers: Win/Spr; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Viburnum odoratissimum</i>	Shrub; Sweet Viburnum; Asia; 4m h x 2m w; Large evergreen shrub with glossy leaves and fragrant flowers.; Flowers: Spring; Flower Colour: White; Sun; Adaptable; Frost Tender
<i>Viburnum opulus</i>	Shrub; Snowball, Guelder Rose; Europe, Asia; 5m h x 2m w; Deciduous shrub or tree with masses of white flowers.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Viburnum opulus roseum (var sterile)</i>	Shrub; European cranberry bush; 3m h x 3m w; Medium shrub with lacecap flower clusters. This variety is sterile: no fruit.; Flowers: Summer; Flower Colour: White; Sun; Well Drained
<i>Viburnum suspensum</i>	Shrub; Arrow Wood; Japan; 3m h x 2m w; Flowers: Summer; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Viburnum thytidophyllum</i>	Tree; leatherleaf; china; 3m h x 2.5m w; Flowers: Winter; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Viburnum trilobum</i>	Shrub; American Cranberry Bush; North America; 3m h x 3m w; This deciduous, rounded shrub has maple-like, lobed, dark green leaves that colour in autumn. White flowers resembling lace-cap hydrangeas bloom in spring and are followed by red fruit loved by birds.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Viola "p"</i>	Groundcover; 0.05m h x 0.3m w; Neat, small-flowered hybrid plants intermediate in size between pansies and violets. Pink flowers.; Flowers: Win/Spr; Flower Colour: Pink; Any; Well Drained

Genus/Species/Cultiva**Notes**

<i>Viola alba "parma violet"</i>	Groundcover; 0.3m h x 1m w; Flowers: Winter; Flower Colour: Mauve; Shade; Moist
<i>Viola odorata</i>	Groundcover; Violet; 0.1m h x 0.1m w; Clumping spreading plant with large purple flowers; Flowers: Spring; Flower Colour: Purple; Shade/Semi Shade; Adaptable
<i>Weigela florida</i>	Shrub; East Asia; 2.4m h x 2.4m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Westringia brevifolia var raleighii</i>	Shrub; Sea mist; Tas.; 1m h x 1m w; Small shrub with mauve flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Westringia fruticosa</i>	Shrub; Coastal rosemary; NSW; 2m h x 3m w; Rounded shrub to 2m with white flowers for much of the year. Very hardy plant in almost any situation. Good hedging or screen plant.; Flowers: All Year; Flower Colour: White; Drought Tolerant
<i>Westringia glabra</i>	Shrub; NSW, Vic.; 1.5m h x 1m w; Erect open shrub with blue-grey flowers for most of the year.; Flowers: Spring; Flower Colour: Blue; Semi Shade; Well Drained; Drought Tolerant
<i>Withania somnifera</i>	Herb; Indian gingseng; India; 0.5m h x 0.2m w; short annual shrub with small green flowers followed by orange red fruit; Flowers: Spr/Sum; Flower Colour: Green; Sun/Semi Shade; Dry
<i>Yucca gloriosa</i>	Grass; USA; 2m h x 1m w; Evergreen shrub with wide, stiff, fleshy leaves. Flowers are white, sometimes tinged purple or red; fruits are green, brownish when ripe. <i>Yucca gloriosa</i> grows on sand dunes along the coast of southeastern USA; Flowers: Summer; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Zieria prostrata</i>	Groundcover; NSW; 0.4m h x 1m w; Flowers are white or pale pink, often pink in bud. Stems spread often with adventitious roots.; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pomaderris oraria ssp oraria</i>	Shrub; Bassian dogwood; Tasmania, Southern Victoria; 1.8m h x 1m w; C21. Compact, much-branched shrub.; Flowers: Spring; Flower Colour: Green; Sun/Semi Shade
