

# OCTOBER THEMED GUIDED WALK

Friends of Geelong Botanic Gardens

## FLORA PACIFIC RIM

Our walk will explore a special area that has been developed in the Geelong Botanic Gardens. Ancient gymnosperms are a key feature of this beautifully landscaped section of our Gardens. Tree-lined avenues intersect with paths, seating areas allow contemplation and rocks invite children to enjoy this place.

- When:** Sunday 8 October 2023  
**Time:** 2.00 pm  
**Where:** Meet your Guide at the front steps of the GBG
