The Gilded Experience Workshop

Gold Leaf Application II

Saturday 24 and Sunday 25 September 2016

9.30 am to 4.30 pm

For new-comers this workshop will take inspiration from the vibrantly decorated ceiling of the Natural History Museum in London and for the more experienced student we will be exploring backgrounds and reverse images. During the two days, participants will produce a finished panel (A3 size) and you will learn to simplify and adapt sketches, use gauche and watercolours and learn the process of applying gold leaf.
